## General Information

### School of Nursing Program

- The School of Nursing offers a course of study that leads to a Bachelor of Science degree in Nursing.
- We are accredited by the National League for Nursing Accrediting Commission and approved by the North Carolina Board of Nursing.
- Graduates are eligible to take the National Council Licensure Examination for Registered Nurses to become RNs.
- The School of Nursing accepts traditional and transfer students.

## We are pleased you are considering Barton College for your Nursing Education.

- Admission to the College however, does not guarantee admission to the nursing major.
- A separate admission process includes evaluation of grade point average, admission test scores, and completion of prerequisite courses.
- Admission is competitive and is based on grade point average and successful completion of various courses.
