

GRADUATE PROGRAMS

SCHOOL OF BUSINESS

Through the Master of Business Administration in Strategic Leadership program at Barton College, students gain the cross-functional business skills necessary to strategically lead organizations in a complex and continually evolving global environment. Barton's highly qualified and experienced faculty will equip you with the skills necessary to effectively lead in the ever-changing business environment. During orientation, you will meet fellow students in the MBA cohort, as well as members of the College community who will provide assistance as you begin your Barton Experience. The goal of the orientation is to introduce you to key faculty and staff, the academic program structure, and technological and campus resources that will facilitate your transition into the MBA program.
