The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in the District of Columbia.

Florida

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Florida.

Georgia

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Georgia.

Hawaii

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Hawaii

Idaho

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Idaho.

Illinois

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Illinois.

Indiana

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Indiana.

Iowa

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Iowa.

Kansas

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Kansas.

Kentucky

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Kentucky.

Louisiana

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Louisiana.

Maine

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Maine

Maryland

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Maryland.

Massachusetts

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Massachusetts.

Michigan

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Michigan.

Minnesota

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Minnesota.

Mississippi

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Mississippi.

Missouri

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Missouri.

Montana

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Montana.

Nebraska

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Nebraska.

Nevada

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Nevada.

New Hampshire

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in New Hampshire.

New Jersey

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in New Jersey.

New Mexico

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in New Mexico.

New York

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in New Mexico.

North Carolina

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in North Carolina.

North Dakota

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in North Dakota.

Ohio

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Ohio.

Oklahoma

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Oklahoma.

Oregon

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Oregon.

Pennsylvania

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Pennsylvania.

Puerto Rico

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Puerto Rico.

Rhode Island

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Rhode Island.

South Carolina

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in South Carolina.

South Dakota

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in South Dakota.

Tennessee

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Tennessee.

Texas

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Texas.

Utah

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Utah.

Vermont

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Vermont.

Virginia

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Virginia.

Washington

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Washington.

West Virginia

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in West Virginia.

Wisconsin

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Wisconsin.

Wyoming

The Bachelor of Science in Nursing program meets the State educational requirements for licensure or certification in Wyoming.
