# Welcome from the President

Dr. Douglas N. Searcy

Dear Students,

Welcome to Barton College! The beginning of an academic year affords us the opportunity to consider the possibilities ahead and commit to approaching them with intentionality, enthusiasm, and resolve. Together, we can expect remarkable experiences and outcomes in the 2023-2024 academic year.

To that end, this handbook is an essential resource. Refer to it and become familiar with campus policies, expectations, and resources that bind you to Barton. Herein are the values and standards that should guide your actions on campus and in the community.

As an integral member of this living-learning environment, you will be challenged academically and encouraged to explore curricular and co-curricular opportunities. Barton seeks to influence the intellectual, spiritual, social, and cultural development of students, and each interaction will prepare you for a lifetime of meaningful leadership and service.

A college education is an incredible opportunity, and Barton is a special place. I encourage your curiosity, tenacity, and self-awareness as you define your goals and pursue your successes here. The information in this handbook will be useful as you determine your path, and I look forward to sharing your journey.

Sincerely,

A handwritten signature in dark ink, which appears to read "Douglas N. Searcy". The signature is fluid and cursive, with a prominent loop at the end.

Douglas N. Searcy, PhD  
President

# Welcome from the Student Government Association

## Hello Bulldogs!

My name is Sherica Cox, and it is my pleasure to serve as your 2023-2024 Student Government Association President. I hope this message finds you well and filled with anticipation for the upcoming academic year. On behalf of the Student Government Association (SGA), I am overjoyed to extend a warm welcome to both new and returning students to our vibrant community!

I am entering my fifth year at Barton, and this amazing institution has afforded me numerous opportunities that have shaped me into the bold thinker and leader you have elected to represent you. My primary goal is to enhance your college experience, foster a supportive environment, and ensure that your voice is heard. I know college life is a transformative experience, filled with countless opportunities for growth, exploration, and discovery. I applaud you for choosing a path that will not only challenge you academically but also shape your character and prepare you for a bright and promising future.

In 1923, Barton adopted the words *Habebunt Lumen Vitae* — “They shall have the light of life” — as our official college motto. This year I empower you to have the light of life when making memories, engaging in classes, and building campus community. As we embark on this exciting journey together, I urge you to stay connected and informed. Join clubs, interact on social media, attend meetings and events, and take advantage of the resources Barton provides. Remember, your voice matters, and together we can shape the college experience into one that surpasses expectations.

Once again, welcome to the Bulldog family! I am genuinely thrilled to serve as your President and am committed to making this year one of the best yet. I look forward to meeting each and every one of you and working hand in hand to create an extraordinary college journey for us all.

Wishing you a successful and fulfilling year ahead!

Warm regards,

Sherica Cox

2023-2024 President, Student Government Association

Barton has 26 NCAA sponsored intercollegiate sport programs, as well as a varsity Spirit program that includes both cheer and dance. The teams represented include men's and women's basketball, football, men's and women's cross country, men's and women's indoor and outdoor track and field, baseball, softball, men's and women's tennis, men's and women's swimming, men's and women's soccer, men's and women's volleyball, men's and women's golf, acrobatics and tumbling, men's and women's bowling, and men's and women's lacrosse.

The basketball, volleyball, and ACRO teams play their home competitions in Wilson Gymnasium. Our soccer, softball, and baseball teams play their home games at the Barton College Athletic Complex on Kincaid Avenue. Football and lacrosse play on the Electric Supply Company Field located on campus. Any student interested in participating on a team, or serving in a support capacity for a team, should contact the respective head coach.

## Intramural Sports

The Office of Campus Life provides co-ed leagues, tournaments, and events in a wide variety of team sports and individual activities. Some of the team activities offered may include: 7-on-7 flag football, 6-on-6 indoor soccer, 6-on-6 volleyball, basketball, softball, wiffle ball, or tennis.

Individual events and tournaments may include: dodge ball, kickball, golf, disc golf, or a 5K race. Additional sports and activities may be offered depending on demand.

Students have the option of submitting either an entire team roster (usually eight to ten per team per sport) or may sign up as a “free agent.” Being a free agent means the Campus Life Staff will place the interested student on any team to complete rosters.

If you are interested in learning how to officiate a sport, opportunities, training, and compensation are available.

For more information, contact the Office of Campus Life located on the ground floor of Hamlin Student Center.

## Campus Services

- **Office of Academic and Career Planning**

## Transcripts

All transcript requests must be submitted through our partnership with the National Student Clearinghouse. The link to the online request form is: <https://www.barton.edu/registrar/>.

The Registrar's Office does not provide unofficial transcripts nor has any other method for requesting transcripts. The turnaround time for a transcript request is generally 48 hours. During peak periods (such as start of the semester, registration, grading periods, and graduation, turnaround time may be up to 7 days. If requesting to "pick up" the transcripts, please wait until you have been notified that the transcript is ready for "pick up" prior to coming to campus. Please pick up within seven (7) days. After seven (7) days, the transcript will be mailed to your home address.

If you have a hold on your account, your order cannot be processed until the hold is lifted. If this is the case, you will receive an email indicating which office to contact to resolve the hold. Requests are purged after 30 days. If an outstanding financial or judicial obligation is cleared after 30 days, a new request must be submitted.

Under the provisions of the Family Educational Rights and Privacy Act, transcripts may not be released to a third party without written authorization by the student. Request by family members, businesses, or governmental organizations will not be processed without the signed, written consent of the student.

## Withdrawal from Courses

A student may withdraw with a non-punitive "W" grade for approximately the first two-thirds of the term. Specific dates are published in the College calendar.

A student who intends to withdraw from a course must complete a "Withdrawal from Course" form. This form will become the official record for the Registrar and the student, as confirmation of the intention to withdraw from the course. A student may not withdraw from a course after the first two-thirds of the term. Specific dates are published in the College calendar.

## Withdrawal from the College

A student may officially withdraw from Barton College until the last day of classes in the term. Students who withdraw from the College will have non-punitive “W” grades issued.

### Supplemental Instruction

Supplemental Instruction (SI) is a series of weekly review sessions for students taking historically difficult courses. SI is provided for all students who want to improve their understanding and performance in the course. It gives students a chance to compare notes, discuss important concepts, develop strategies for studying, and test each other. Two weekly study sessions are facilitated by SI Leaders, upperclass students who have successfully completed these courses and have been recommended by the faculty for the position. SI Leaders participate in the course for a second time to develop relationships with students and refresh themselves on the material. SI offerings vary each semester. Students should check with the Campion Center or the professor of the course to see if SI is being offered.

- i. Barton College is committed to providing qualified students with disabilities with reasonable accommodations and support needed to ensure equal access to the programs and activities of the College.

- ii. All accommodations are made on a case-by-case basis. A student requesting any accommodation should first contact the Coordinator of Access and Accommodations, who coordinates services for students with disabilities. The Coordinator reviews documentation provided by the student and in consultation with the student, determines which accommodations are appropriate to the student's particular needs and programs. It is then the student's responsibility to make direct requests for accommodations to the appropriate staff.

Barton College complies with the requirements of the Americans with Disabilities Act. Students with disabilities who wish to receive assistance and/or accommodations should contact the Coordinator of Access and Accommodations at 252-399-6496 or at [healthcenter@barton.edu](mailto:healthcenter@barton.edu) to schedule an appointment or if additional information is needed. Security for the Barton College campus is provided through a contractual agreement between Barton College and the City of Wilson. The Barton College District Office of the Wilson Police Department is operated under the auspices of this agreement and is staffed by sworn police officers employed by the Wilson Police Department. The Barton College District Office is located on the ground floor of Waters Hall.

Police officers who patrol the campus have the authority and responsibility to investigate and prosecute all crimes which occur on campus. The officers are available and on duty 24 hours a day, 365 days a year.

- **Parking Regulations and Permit Requirements**

All vehicles using college-owned parking facilities must be registered with the Wilson Police Department, Barton College District Office through the Coordinator of Mail Services and Parking Passes (Barton College Post Office) by the Last Day to Add/Drop Courses. Persons registering vehicles will be issued a parking permit to be affixed to the bottom left of the back window of the vehicle.

If a registered vehicle is sold, or otherwise disposed of, the parking permit should be removed and returned to the Wilson Police Department, Barton College District Office. A new parking permit will be issued at no charge. The College is not responsible for lost or stolen parking permits.

Certain parking spaces on the campus are designated for handicapped, visitor, and special designation parking only. The College has open parking whereby students, faculty, and staff can park in delineated parking spaces on a first-come, first-served basis. The College does not guarantee the availability of parking spaces and encourages commuting students to arrive in plenty of time to find a parking space prior to class.

Parking tickets will be placed on all vehicles that are unregistered, and/or improperly or illegally parked. Barton College parking ticket fines are \$25.00 per violation. Wilson Police Department Parking Fines are determined by the City of Wilson (for example, fines for parking in handicap spaces). Parking fines will be paid at the Student Financial Services. No refunds of parking permit fees will be made to those individuals whose privileges are revoked or suspended for cause.

Students with outstanding fines will not be permitted to pre-register or receive academic transcripts until all fines are cleared.

Students will be required to return their motor vehicles to their homes if, in the opinion of the Vice President for Student Engagement, possession of the vehicle is interfering with academic achievement or campus adjustment. Students who repeatedly violate parking regulations may be subject to disciplinary action.

The College reserves the right to search any vehicle parked on campus property, if in the opinion of the Vice President for Student Engagement or designee, a search is justifiable. If a search is granted, a search warrant (in writing) will be provided to the owner at the time of the search. A search warrant is issued after probable cause is developed and is only obtained by law enforcement.

Finally, the College may request that students remove their vehicles from specific areas on campus in order to accommodate guests for special events, concerts, theatre productions, art exhibition openings, sporting events, etc.

The College will not be responsible for any loss or damage to vehicles caused by theft, vandalism, acts of nature, or other causes beyond its control.

- **Identification Cards - Barton One Card**

All students, including Continuing Education, Masters Program, part-time students, faculty, and staff, must have an identification card. This card must be carried at all times and must be shown to authorized college personnel upon request.

**Important:** To avoid deactivation of your ID card, please do not place in a wallet connected to your phone.

Should you lose your card, you must notify the Wilson Police Department - Barton College District and/or the Office of Residence Life immediately. A lost or stolen card poses a security breach. The student can pay the replacement fee in person at Student Financial Services or online through their student account. In order to obtain a student identification card, the student must have cleared Student Financial Services. - ## Employment

The College offers various part-time jobs in the library, culinary center, departmental offices, and elsewhere on campus. Students interested in working on campus should complete the Free Application for Federal Student Aid (FAFSA) at [www.fafsa.gov](http://www.fafsa.gov).

- ## Financial Aid

### Making Your Education Affordable

Thanks to scholarships, grants, loans, and work-study, there are many ways to make your Barton College education affordable. Our financial aid staff will work closely with you to explore all of the funding resources available. Our goal is to ensure that every student receives our best comprehensive offer of financial assistance and that your affordable investment in a Barton education becomes a reality.

Each year more than 90% of Barton College's student body receives financial aid from various sources. The Barton College Office of Financial Aid combines federal, state, and institutional aid in order to assist students and families with the cost of attendance at Barton College.

### So, Where Do You Begin?

The first step is to apply to Barton. The other extremely important step is to complete the Free Application for Federal Student Aid (or FAFSA) after October 1 before each academic year. Even if you think you don't qualify

for federal aid, it's important to apply, because other funding sources insist on it, including scholarships, state aid, student loans, and work-study. So, complete the FAFSA and remember to do this every year! Other important sources of help include our Barton scholarships, outside scholarships, and Federal work-study. We've also provided calculators so you can quickly get a rough snapshot of your options.

## Cost of Attendance

COA is the amount it will cost a student to attend school.

If you are attending Barton at least half-time, the COA is the estimate of:

- books, course materials, supplies, and equipment
- cost of housing and food (or living expenses);
- transportation expenses;
- loan fees (excluding any loans fees for non-federal student loans);
- miscellaneous expenses (including reasonable amount for the documented cost of a personal computer);
- allowance for childcare or other dependent care;
- costs related to a disability;
- costs of obtaining a license, certification, or a first professional credential;
- and reasonable costs for eligible study abroad programs

## Institutional Financial Aid Awarding Policy

All financial aid applicants are automatically considered for institutional aid. The Office of Financial Aid has the discretion to reduce or remove any institutional aid. Students who are not enrolled full-time may have their institutional aid removed. Students who enter into a graduate level program may also have their institutional aid removed at the discretion of the financial aid office. Any credit balances created solely by institutional aid will be reduced to the direct cost. The order of awarding institutional financial aid goes as follows - Merit, Athletic, Cohort, Endowments/Annually Funded Scholarships and Barton Need Grant. Priority for Barton gift aid is given to those that are full-time students. Any change in institutional aid will be communicated to the student. Student may not be eligible for institutional aid if he/she is placed on SAP denial as defined by the Office of Financial Aid.

## • International Student Services

The Director of New Student Orientation and International Initiatives serves as a Designated School Official for the Student Exchange Visitor Program (SEVP) and, at Barton College, is responsible for transitional and ongoing support for all F-1 visa international students enrolled at

Barton College. Once an international student commits to Barton College, after being admitted to the College through the Office of Admissions, they are advised on immigration matters and issued the initial I-20 form and appropriate documents from the College by the Director of New Student Orientation and International Initiatives. The director works with the international students throughout their college career by managing their I-20 record in the Student Exchange and Visitor Information System (SEVIS) and ensures that F-1 students maintain active status. The Director also works with international students prior to program completion in the Optional Practical Training (OPT) process and Curricular Practical Training (CPT) process during college enrollment. Support for international students is housed in the Office of Academic and Career Planning. Other College representatives that serve as Designated School Officials include the Registrar, the Associate Director of Transfer Admissions, and the Executive Director of Admissions.

The Health Center is open for fall and spring semesters. Students can be seen by a nurse anytime the Health Center is open. The Health Center does not issue notes to excuse a student's absence from class. The authority to excuse a student's absence from class remains with the faculty of the College.

Professional Nursing Care and Advice is at no cost to the student and available anytime the clinic is open. Affordable, accessible physician services are available by appointment anytime the clinic is open for telehealth and in-person visits. Appointments are required and can be made by calling 252-399-6388.

  - Wilson Medical Center Emergency Room (252-399-8102)

## Referrals

Health services not provided at the Health Center may be obtained through local physicians. Students will be responsible for any charges incurred as a result of a physician referral.

## Immunization and Medical Records

North Carolina state law, N.C.G.S. §130A-155.1, mandates students attending a college or university, whether public or private, to present a Certificate of Immunization or a record of an immunization from a high school. In general, the law requires those students who reside on campus or students residing off-campus who are taking five (5) or more traditional day credit hours on campus per semester, must meet the North Carolina State Law Immunization requirements contained in the student health form.

Exceptions to this law include:

- students who have a bona fide documented medical or religious exemption;
- students who reside off-campus and are exclusively enrolled in only weekend, evening, online courses; and students enrolled in no more than four (4) traditional day hours per semester.

Immunizations for enrollment should be obtained prior to attending Barton College at a local physician's office, health department, medical office or urgent care provider:

The Student Health center utilizes an online healthcare management system called Magnus Health (SMR) for student health and immunization clearance. Failing to complete required Magnus Health medical information will result in the student being administratively withdrawn from registered courses.

If students do not meet the immunization requirements or qualify for exemption, dismissal from Barton College is mandatory under North Carolina Law. All student medical records are stored electronically and are strictly confidential. Health records are not available to anyone outside the Health Center staff, without the written permission of the student.

If you have questions or concerns about Magnus Health, please email [healthcenter@barton.edu](mailto:healthcenter@barton.edu) or call the Nurse Advice Line at (252) 668-0858.

## Counseling Services

Counseling Services is located in the Lee Student Health Center beside Hackney Residence Hall with scheduling by appointment only Monday through Friday with availability during morning and afternoon hours. Counseling services provides brief and intermittent support from the first day of class to semester conclusion in any academic year excluding breaks and holidays. Referral to community resources may be appropriate if a student is in need of a higher level of care. Students in need of a higher level of care can include students experiencing post traumatic stress and eating disorder symptoms. Participation in counseling services remains strictly confidential unless a breach of confidentiality is deemed necessary by the Campus Counselor. Participation in counseling services is voluntary unless otherwise required through college sanctions.

Counseling services are offered by the Campus Counselor to assist students in their development and adjustment within the college community from the time of enrollment through graduation. Common themes addressed in counseling include anxiety, depression, relationships, grief and loss, identity exploration, substance use, and life transitions. To schedule an appointment with the counselor, call 252-399-6586, email [healthcenter@barton.edu](mailto:healthcenter@barton.edu), or schedule online at <https://bartoncounselingcenter.clientsecure.me/>.

Also provided as an additional wellness resource to students is Virtual Care Group. Virtual Care Group provides confidential counseling and life-coaching to all Barton students at no cost that can be accessed 24/7 365 days a year. Virtual Care Group can be accessed by visiting <https://thevirtualcaregroup.com/barton>.

- ## Library

The Willis N. Hackney Library was named in honor of a friend of the College. The library, which provides a variety of seating for 207 users, is open an average of 83 hours per week to serve the college community, residents of Wilson, and the Friends of Hackney Library. The library's first floor is for study, and it includes group study tables, movable white boards, a casual setting, and the popular learning café with vending machines and diner-style booths. The library's second floor, known as the "Quiet Zone," is reserved for quiet study and features individual study carrels along with individual and group study rooms.

The library's collection includes more than 110,000 monographs, 663,900 electronic books, and a substantial collection of non-print materials, including audiovisuals and streaming media. Hackney Library currently provides access to over 75,000 electronic periodical titles. The Curriculum Lab, located on the second floor of Hackney Library, includes resource materials used in North Carolina public schools from kindergarten through twelfth grade. Hackney Library is a depository for selected U.S. Government documents and offers internet access to a wide variety of government resources.

Hackney Library's Special Collections, located on the second floor, includes the Dr. K.D. Kennedy, Jr. Rare Book Room, the College Archives, the North Carolina Collection, and the Discipliana Collection. The Dr. K.D. Kennedy, Jr. Rare Book Room contains books with a special emphasis on Scottish culture including literature, history and philosophy, in keeping with the principles of the founders of the Christian Church (Disciples of Christ). Church founders Alexander Campbell and Barton Stone both were of Scottish ancestry. Other interests in this collection are materials related to Celtic language cultures, books published in Great Britain before 1640 and books published in the coastal region of North Carolina, South Carolina and Virginia before 1820.

The library provides an electronic catalog displaying its holdings as well as other online resources that are accessible via the internet from the library's home page (<https://barton.libguides.com>) from both on campus and off campus. Research computers, Wi-Fi connections, three printers (including an all-in-one copier/printer/scanner), loaner wireless laptops for use in the building, and a fax machine are available to Barton faculty, staff, and students. In addition, a library technology classroom is available for use on the first floor.

Reference assistance is available via face-to-face and phone discussions with librarians when the library is open, and via email and online help pages other times.

A Barton student ID must be presented when books are borrowed. The regular loan period for most materials is four weeks. Magazines and reference books are not loaned but must be used in the library. Payment for fines and lost/damaged material must be made before the next registration period or graduation.

As the library's materials are shared resources that benefit our entire campus community, mutilation or theft of library materials is a violation of campus regulations and the Honor Code. Out of respect for the study and research needs of our patrons, students are expected to refrain from

loud conversation and unnecessary noise, especially in the second floor Quiet Zone.

## • Housing and Residence Life

The Barton College residential community houses students in varied accommodations ranging from single and double residential-style rooms to fully furnished suites. Services and programs intended to enhance the quality of student life and to assure the security and safety of the residential student body is a priority for the residence life administration.

All are served by live-in full-time professional staff, para-professional, and student resident assistants. At least one professional staff member is on duty at all times, 24 hours a day, seven (7) days a week. Security and safety policies and procedures, especially regarding locking individual rooms and building doors and related precautions, are discussed with residents in crime prevention seminars, in routine floor meetings conducted by the residence life staff, and in printed material that is posted and distributed by the staff.

### Residence Life Mission

Residence Life promotes both academic and personal success through maintaining a safe, supportive, and diverse living-learning community.

### Residence Life Diversity Statement

Residence Life values the diversity of students on our campus. We embrace all of the people who make up our community while providing opportunities for education and support in an increasingly global society.

### Administration

The administration of the residence halls is carried out through the Residence Life student staff, support staff, and professional staff members who report to the Dean of Students.

Organizational structure is as follows:

- Resident Assistants (RAs) and Graduate Assistants for Residence Life report to the Coordinator of Residence Life
- The Coordinator of Residence Life reports to the Director of Residence Life.
- The Director of Residence Life reports to the Dean of Students, the Dean of Students reports to the Vice President for Student Engagement.

The RAs are students selected and employed by the Division of Student Engagement as members of the residence hall staff. RAs are available to assist students with adjustment to campus life. In addition to providing information, the staff is responsible for monitoring student conduct, planning programs designed to meet student needs, and offering peer coaching. Any reasonable requests made by student staff members should be respected just as those of any other Barton College Official.

## Residency Requirements

Barton College students are required to live in the residence halls until they have lived on campus for six (6) continuous semesters, four (4) semesters if enrolled prior to Fall 2020.

In order to be eligible to apply for housing, students must:

- 1) Meet all academic requirements for entrance to or continuation in college.
- 2) Be pre-registered as a full-time student for the semester in which the housing assignment is made. The requirement for pre-registration does not apply to new students. Part-time students are allowed to reside in the halls on a space available basis. At the discretion of the Director of Residence Life, housing assignments will not be held past the first day of the start of classes on the first day of the semester.

Applications accepted during pre-registration periods will be cancelled at the end of the semester in which the housing assignment is made if, at the end of that semester, the student is declared academically ineligible.

## Housing Selection Process

The Office of Residence Life will communicate by Barton email the Housing Selection Process and associated deadline dates each academic year. The Office of Residence Life reserves the right to adjust or change the process as deemed necessary. Below is a summary of the process.

### 1) Application

Applications for campus housing are required to be submitted for each year for all students. The application process will vary according to a student's classification as a new or continuing student. Re-admission status is considered the same as new student status. All applications are submitted online via the MyBartonHousing portal found at:

[https://barton.datacenter.adirondacksolutions.com/BARTON\\_THDSS\\_PROD](https://barton.datacenter.adirondacksolutions.com/BARTON_THDSS_PROD)

An application for campus housing does not necessarily ensure an assignment to housing.

## 2) Housing Contract

After completing the housing application, all students must complete the Housing Contract in the MyBarton Housing online portal. Students will not be able to select a space on-campus until the housing contract is signed.

## 3) Stages of Housing Selection for 2024-2025:

- Same Room Selection for Eligible Spaces
- Students who have lived on campus 5 or more semesters

Honors students on academic probation are assigned rooms at the same time as non-honors students  
Honors students can choose returning honors students as roommates during this housing selection stage.

## 4) Housing Assignment

After the Application and Contract are completed, the student can select a housing assignment in the MyBartonHousing portal on the students designated selection day.

### Housing Exemption and Early Housing Contract Release

Students may apply for housing exemption or Early Housing Contract Release. Application does not guarantee release from housing. All Housing Exemption and Early Housing Contract Release Applications are reviewed by a committee appointment by the college. Once a decision is made, a student will receive a decision letter by email. If the student is denied, the student has 5 business days to appeal the decision to the Dean of Students. The appeal must be submitted by email and include new documentation to support the request.

## Residence Hall Guidelines and Resources

Please refer to the Student Code of Conduct and Honor Code for specific policies and procedures pertaining to student conduct in the residence halls and on campus.

### Residence Hall Hours

Residence halls are locked 24 hours a day. This measure is taken for the protection of the students living in the hall. Student ID cards serve as access passes to a student's assigned hall. Only residents of the respective hall and their authorized guest(s) may exit and enter the buildings.

### Furniture Provided by the College

Barton College provides furnishings (bed, mattress, dresser, etc) for each student to use in their assigned on-campus space. Furnishings provided by the college will vary depending on location and availability.

All furnishings provided by the College are required to remain in the students space at all times during the academic year. The student is responsible for any neglect, damage or missing furnishing in the assigned on-campus space. The Office Residence Life reserves the right to apply fines or refer students to the Student Conduct process for failure to comply with the above statement.

### Abandoned Property

Student personal property that is left in a vacated room, hallway, lobby or common space will be considered Abandoned Property and will be disposed of within 72 hours. The student's account will be billed appropriately for the labor involved as well as for improper check-out and possible key/core replacement.

Student personal property left in common areas will be considered Abandoned Property and will be disposed of within 24 hours. The occupants on the floor will be billed for labor (unless the responsible person claims the property).

### Access Cards - The Barton One Card

Access to the residence halls is obtained through the student's I.D. card. Students must carry their I.D. cards with them at all times. If a student loses or has their I.D. card stolen, they should immediately report this to their RA. The student will be required to obtain a new I.D. card from the Office of Residence Life. A student will not have access to their residence hall without the I.D. card. Students are not permitted to allow anyone else to use their Barton One Card (ID card). Failure to comply with this requirement will result in additional fines and referral to the Student Conduct process.

## Access to Roof

The roofs of the residence halls are not authorized for student use under any circumstance.

## • Appliances

Students are permitted to have microwaves and refrigerators in their rooms. However, the following restrictions apply:

- 1) Refrigerator – Two refrigerators, which are 4.5 cubic feet or less will be permitted per room.

All residents are held accountable for the information and are, therefore, expected to be in attendance at all floor and/or hall meetings. The Office of Residence Life reserves the right to fine students for not attending mandatory meetings.

- ## Keys

Students are issued a room key at check-in. If the key is not returned or the student fails to properly check out, charges will be assessed and assigned. A lost or stolen key must be immediately reported to the RA and Professional Staff Member to ensure replacement and room security. The student is responsible for the cost to replace the door lock core. At no time are residents permitted to duplicate keys or to transfer room keys to another individual.

Residents, if locked out of their rooms, should contact the RA for access. Students will be assessed a \$25.00 lockout charge, which will be added to their student account and paid to the business office.

- ## Damage /Community Damage

Residents are held accountable for property destruction that occurs in their room and/or in the public areas of their residence hall. Residents may be charged for repair or replacement costs due to the removal of, or destruction of, property in their residence hall room/suite. (See *Student Bulldog Handbook*, Policies governing Residence Life, Damage.) Residents are responsible for their guest(s) and, therefore, could be held responsible for any damages incurred by guests. The student or students responsible for damage resulting from abuse of facilities, negligence, or means other than those attributed to normal deterioration, will be expected to assume the cost of repair or replacement. If the responsible individual or individuals are unknown, then the occupants of the residence hall room/suite/floor will be expected to assume the cost of the repair or replacement. Community damage will be divided among the residents and assessed to each individual student account. Any appeals to damage bills must be in writing to the Office of Residence Life. Community damage charges are not subject to appeal.

- **Accidental:** A student may not be assessed a fine for damage if (1.) they notify a staff member immediately and (2.) they accept responsibility for the cost of the repair.

- **Student Room:** Occupants of a room will be held responsible for damage to their room. When two or more students occupy the same room and individual responsibility for damages to the room/furnishings cannot be determined, the damage charge will be assessed equally among those assigned to the room.

Candles, incense, cigarettes, electronic cigarettes, hover boards, halogen lamps, space heaters, and any appliance with an open burner are fire hazards and are not permitted in the residence halls on the campus of Barton College. Students should report individuals immediately to a Coordinator of Residence Life or Director of Housing and Residence Life. Permission for soliciting/fundraising must be approved by the Vice President for Academic Affairs.

- **Sports in the Hallways**

To maintain a safe, comfortable, and quiet environment, playing sports in the hallways and lobby areas is not allowed. This includes, but is not limited to: throwing, tossing, bouncing, and kicking balls, playing tag or running in the halls, wrestling, tossing a Frisbee, roller-blading, swinging golf clubs, and/or bats, etc.

- **Storage**

All student property must be stored in the student's room. Barton College will not store excess personal property. Additionally, Barton College will not store students' personal belongings over the summer break. The student will assume responsibility for items left in public spaces.

- **Vending Machines and Laundry Services**

There are vending machines and washers/dryers in each residence hall. These are maintained for students' convenience and will be removed if they are abused. Please report damaged machines to the Coordinators of Residence Life, who will post signs and contact the appropriate official.

- **Work Order Repairs and Process**

Residents should notify the RA, Coordinators of Residence Life, or the Office of Residence Life if problems occur and/or repairs are needed in their rooms. Notify the RA if the problem is in a common area. In case of an emergency, and the RA cannot be located, call the Office of Residence Life (ext. 6386) or Campus Police (ext. 6911). During normal work hours (8:30 a.m. - 5:00 p.m., Monday through Friday), the Office of Residence Life must approve any work order prior to being submitted to Facilities Services. Please contact your RA on duty first to access these individuals.

- **Barton College  
Residence Life Housing Contract**

This Residence Life Housing Contract is binding for the entire academic year. The contract goes into effect on August 1, 2023 and ends on May 11, 2024. Barton College is a residential community; therefore, students are required to live in college housing for six continuous semesters (four semesters if enrolled prior to Fall 2020). Students participating in an academic program that requires them to be away from campus (internship, study abroad, etc.) may apply for a mid-year release. Students leaving the College at the end of the fall semester will be granted a mid-year release.

- **Private Rooms**

Private rooms will be offered to students if on-campus occupancy permits. Students may be offered a private room through the consolidation process each semester by the Coordinators of Residence Life. Rooms with two beds are not guaranteed to be offered as private rooms.

- **Room Personalization**

Residential students are encouraged to decorate their rooms to suit personal preferences. However, rooms must be left in the same condition upon leaving as they were prior to checking in. The furniture may be rearranged with safety in mind. Student beds in rooms are not to be converted into makeshift bunk nor loft beds. Furniture must be arranged in such a way that egresses from the room (doors and windows) are not precluded and remain accessible.

The following are guidelines for student room personalization:

*Do not attempt to bunk beds on your own; only Facilities Services staff are authorized to assemble bunk beds.*

In the residence halls at Barton College, there are many different configurations by which you can set up your bed. Bed position options are based on residence hall location and availability of supplies and staff. Beds in the residence halls come standard on the ground, with no loft. As a residential student, you have the following options by which your bed may be arranged:

- On the ground - Standard placement on the floor.
- Lofted - This allows the bed to be placed higher up, giving the student space under the bed to store personal belongings. The space is also sufficient to store other standard furniture in the room under the bed.
- Bunked - A traditional 'Bunk Bed' set-up, where both beds in the room are stacked one on top of the other. This requires consent from both students in the room.

- **Additional Room Personalization**

- Nails or tacks are not allowed except on wood strips provided for that purpose.
- Electrical tape and duct tape is not allowed. Only 2-sided tape can be used in the residence hall room.

- Picture hangers, adhesive-backed towel hooks, or appliquéés, stickers, and moldable putty are not allowed.
- Unauthorized paints are not allowed.
- Glow in the dark stars, moon, and planets are not allowed to hang or to be placed on the ceiling.
- A student's room must remain clean without excessive clothing or items on the floor as to block an egress.
- The following displays are prohibited:
  - 1.) Any alcohol container collection,
  - 2.) Any drug paraphernalia;
  - 3.) Any display that would constitute a hostile work environment for staff in the building.
- ALL FURNITURE (even in private rooms) MUST REMAIN IN THE ROOM.

## • Student Grievance Procedures

Any student who feels that he/she has been unduly wronged or unfairly treated by a member of the College faculty, administration, or staff, may appeal to have his/her grievance heard through the Student Grievance Procedure. This procedure does not apply in situations involving grade appeals or Title IX incidents, as separate procedures have been developed for those cases. No student shall be subjected to any form of recrimination or reprisal for initiating a grievance against any member of the faculty, staff, or administration.

- 1) Whenever possible and after a reasonable period of reflection, the student should talk with the faculty, staff, or administrator stating carefully and precisely why he/she believes a grievance exists. An attempt should be made in this conference to resolve the issue. If the College official involved in the grievance is not available on the campus (i.e. during the summer or other such breaks, leaves of absence, etc.) or the situation itself is such as to preclude this step, the student should talk with the person's immediate supervisor:
- 2) If no resolution of the issue can be made in the initial conference with the College official against whom the grievance is directed, the student may initiate a formal, written appeal process with the person's immediate supervisor for the purpose of resolution. The Student Grievance

Reporting Form can be found at [https://cm.maxient.com/reportingform.php?BartonCollyout\\_id=4.ege&la](https://cm.maxient.com/reportingform.php?BartonCollyout_id=4.ege&la). This electronic written appeal will form the basis for a conference between the supervisor; the student, and the College official against whom the grievance is directed. The electronic written appeal must state in detail the grievance and reasons for appealing and must be presented in four copies, one each for the supervisor; the official against whom the grievance is being made, the student bringing the grievance, and for the record. Since the document is of primary importance, the student may seek assistance in preparing it for presentation. Any student or member of the College community may assist the student in preparing the written appeal.

The formal electronic written process must begin within 180 days of the most recent incident precipitating the grievance. Supporting documentation and/or evidence related to the precipitating incident, such as earlier incidents may be included in the appeal. The same information, however, also should be available in the earlier stages of the grievance process.

- 3) If the conference between the supervisor; the student, and the official against whom the grievance is directed does not satisfactorily resolve the issue, the student or the College official in question may request (using the same procedure as stated above) a conference with the Divisional Vice President who oversees the department of which the college official is a member. Decisions at this level will be final. Grievances against administrative division heads who report directly to the President of the College will be handled by a conference between the College official, the student, and the President of the College. Decisions at this level will be final.
- 4) During all formal conferences, beginning with Item #2 of this procedure, both the College official and the student are entitled to the following:
  - a. to be present at all formal conferences.
  - b. to be represented by an advisor of their choice.

Advisors may only counsel the student or College official and may not actively participate in the meeting. They may confer quietly with their advisee, exchange notes and suggest questions to the advisee.
  - c. to ask questions of witnesses.
- 5) Both the student reporting the grievance and the College official shall be informed promptly, in writing, of the decision made by the supervisor and the Vice President/President (if applicable). The records of the

conference shall be on file in the Office of the Vice President for People and Support and Title IX Coordinator for a period of five years. Only the President, and the Vice President for Academic Affairs, the Vice President for People and Support, the Board of Trustees, and the College's legal counsel shall have access to the records. Participants in the conferences shall observe strict confidentiality regarding the case.

- 6) The entire formal proceeding, beginning with the written appeal to the supervisor in Item #2 of this procedure, shall be completed within 60 days, whenever possible.

- **Title IX Sexual Misconduct and Interpersonal Violence Policy**

Title IX of the Education Amendments of 1972 ("Title IX"), is a Federal civil rights law that prohibits discrimination on the basis of sex in education programs and activities. Under Title IX, discrimination on the basis of sex can include sexual harassment or sexual violence. Sexual violence means physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent, such as rape, sexual assault, sexual battery and sexual coercion.

Barton College offers prevention education efforts to promote sexual assault awareness during each academic year.

For specific policies and procedures pertaining to Title IX Sexual Misconduct and Interpersonal Violence, please refer to the Policies on Student Conduct Procedures - Student Code of Conduct (Begins on page 54).

All administrators, faculty, staff, and students are subject to these policies.

The College may also take constructive action against non-members of the College community who are subject to these policies. Individuals who violate this policy are subject to discipline up to and including discharge, expulsion, or other appropriate sanctions, in response to violations of student living standards, sexual abuse, sexual harassment, rape and sexual assault, as well as other serious complex criminal matters.

If you are a victim of a violent crime (sexual assault, rape, other), please seek help as noted below (Residence Life, Wilson Police, and the Office of Title IX are all available to assist you including helping with needed resources):

- Call 911 to get help from the police \*
- Contact a friend or relative for support since this is not the time to be alone.
- Seek immediate medical attention.
- Do not shower or change clothing. Physical evidence is very important.
- Report all incidents of sexual assault or rape to appropriate staff members including the Title IX Office. (All staff members receiving information or allegations should respond with as much sensitivity and care as possible for the person(s) affected. Special attention should be given to safeguard privacy and confidentiality for all people involved in the incident / alleged incident).
- Record as many details as possible regarding person(s), place, scene, etc., that will help with the apprehension of the alleged assailant.
- Consider contacting a counselor for confidential reporting.
- Remember that you did not deserve or ask to be assaulted and that you are not alone — We are here to help you!

### Section I – Student Code of Conduct Preamble

Barton College is committed to standards of honorable conduct based on the highest ideals and values of personal honor, integrity and responsibility and commitment to community. This is the context in which the college community establishes its standards of conduct and processes for responding to compromise of those standards.

It is assumed that, in accepting membership in the College community, students have made a concurrent commitment to its social and academic standards and that each will abide by those standards, accept full responsibility for his/her actions and give full support to ensuring the integrity of those standards. Specifically, students are expected to accept full responsibility for their actions, to conduct themselves with honor and integrity in all endeavors, to never knowingly or willfully lie, cheat, or steal or to be involved in or condone any activity to the contrary, and to support in word and deed the concepts and principles of the College's Student Code of Conduct and Honor Code.

Students entering Barton College are required to express their commitment to these standards through the following affirmation.

I PROMISE THAT, WHILE I AM A STUDENT AT THE COLLEGE,  
I WILL TO THE BEST OF MY ABILITY NEVER KNOWINGLY OR  
WILLINGLY VIOLATE ANY OF ITS RULES, REGULATIONS, OR  
STANDARDS OF CONDUCT; TO NEVER LIE, CHEAT, OR STEAL;  
TO DISCOURAGE THOSE WHO WOULD DO OTHERWISE;  
AND, TO SUPPORT IN WORD AND DEED, THE CONCEPT  
AND PRINCIPLES OF THE HONOR SYSTEM.

The mission of the college is rooted in our commitment to developing ethical and socially responsible behavior in all human relationships. Responsible living in a community of learners requires adherence to demanding standards.

The current version of the *Student Code of Conduct* remains in effect until the subsequent *Student Code of Conduct* is published and posted.

## **Vision, Mission, and Philosophy**

Every member of Barton College has the right to live and learn in an atmosphere of respect and support. The Barton College honor system presents the expectations of the College that individuals will act in a manner that is respectful of the rights and privileges of others.

Responsibility for maintaining the honor of the community rests with each individual member. Only if every member assumes responsibility for personal and group integrity and civility will the community best meet the developmental needs of its members. All members must examine, evaluate and regulate their own behavior to be consistent with the expectations of the Barton community.

The Barton College Honor System includes the Honor Code, the Code of Conduct (including the Sexual Misconduct and Interpersonal Violence Policy), and adjudication processes. All students are governed by the Honor System. Under the leadership of the Vice President for Student Engagement, Barton College's Office of Residence Life has been charged with the operational oversight of the College's judicial processes.

- a. **Vision:** The Barton College Office of Student Engagement strives to provide high quality, student centered services, programs, and experiences that will promote all students' holistic development, health and well-being, enhance the quality and safety of students' living/learning experience, as well as foster students' development as responsible and engaged members of their campus community.
- b. **Mission:** The Office of Student Engagement promotes individual student development and a campus climate of civility and accountability. The Office encourages education and accountability by providing processes designed to uphold the behavioral expectations of the Code of Conduct. The mission is to advance responsible community citizenship through promotion of Barton College values.

## Student Identification and Privacy:

### Reference 7-35 – Authentication of Distance Education students and Online Security and Acceptance Use Policy for Barton College Students and Employees

Barton College uses a learning management system (LMS) to manage all distance education courses and to support hybrid and face-to-face courses. All courses are accessed through a secure web portal and require a unique username and password. Students receive a password and account designation upon completion of the admission process. Barton College supports and maintains the learning management system.

A student must not disclose his/her password to any other person. Disclosure of a password may result in administrative withdrawal from Barton College with forfeiture of tuition and fees. Any student who is aware of a violation of password security must immediately notify either the instructor of the course or the LMS Administrator. Students that have problems logging into the LMS may contact the Help Desk for assistance.

#### **a. Accommodations for Students with Disabilities:**

Barton College is committed to full compliance with the Americans With Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973, which prohibit discrimination against qualified persons with disabilities, as well as other federal and state laws pertaining to individuals with disabilities. Under the ADA and its amendments, a person has a disability if he or she has a physical or mental impairment that substantially limits a major life activity. The ADA also protects individuals who have a record of a substantially limiting impairment or who are regarded as disabled by the institution whether qualified or not. A substantial impairment is one that significantly limits or restricts a major life activity such as hearing, seeing, speaking, breathing, performing manual tasks, walking, or caring for oneself.

- i. Barton College is committed to providing qualified students with disabilities with reasonable accommodations and support needed to ensure equal access to the programs and activities of the College.
- ii. All accommodations are made on a case-by-case basis. A student requesting any accommodation should first contact the Coordinator of Access and Accommodations, who coordinates services for students with disabilities. The Coordinator reviews documentation provided by the student and in consultation with the student, determines which accommodations are appropriate to the student's particular needs and programs. It is then the student's responsibility to make direct requests for accommodations to the appropriate staff.

### **Section III – Student Code of Conduct Policies**

#### **A. Jurisdiction.**

This Code applies to any student at Barton College from the time of admission until the actual awarding of a degree (applying to behavior that occurs before classes begin or after classes end, as well as during periods between terms of enrollment unless a student has completed the process of withdrawal from the College). This may include students who attended Barton College and are currently suspended but not expelled and are still considered students for jurisdictional purposes. For Title IX purposes, jurisdiction only extends to the

actions occurring within the United States; however this Code applies to any behaviors that take place on the campus, at college-sponsored events and may also apply off-campus and to actions online when the College determines that the off-campus conduct affects a substantial College interest. A substantial College interest is defined to include:

- 1.) Any action that constitutes criminal offense as defined by federal or state law.  
This includes, but is not limited to, single or repeat violations of any local, state or federal law committed in the municipality where the College is located;
- 2.) Any situation where it appears that the accused individual may present a danger or threat to the health or safety of him/herself or others;
- 3.) Any situation that significantly impinges upon the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder; and/or
- 4.) Any situation that is detrimental to the educational interests of the College.
- 5.) Any online postings or other electronic communication, including cyber-bullying, cyber-stalking, cyber-harassment, etc. occurring completely outside of the College's control (e.g. not on College networks, websites or between College email accounts) may be subject to off-campus jurisdiction when those online behaviors can be shown to cause an on-campus disruption or adversely affect a College interest or the College's mission.

Infractions outside of the United States may still be addressed via the general college student conduct process.

## B. Standard of Proof.

In all cases of alleged violations of Barton College policy, decisions regarding responsibility for violating the code of conduct are based on the preponderance of evidence. A preponderance of evidence exists when a reasonable person, after evaluating all credible information available at the time of the investigation, would conclude that it is more likely than not that a violation has occurred. This standard is also employed when making determinations regarding interim restrictions/actions.

## C. Parental Notification Policy / College Official Notification

**Parental Notification Policy:** Barton College reserves the right to notify parents, guardians, designated emergency contacts or other family when it determines the circumstances warrant such notification including, but not limited to:

This may include any referral to any wellness center for alcohol or drug assessment.

When the Vice President for Student Engagement, and/or the Vice President for People and Support or Dean of Students or designee determines that circumstances exist where it is in the best interest of the student and College to notify the parent.

Unauthorized room changes may result in administrative fines and/or referral to Student Conduct, and/or other appropriate administrative action. Students may be administratively removed from their assigned residence hall if they demonstrate an inability to function in the group living environment. Any student making a room or roommate change, without prior clearance from the Office of Residence Life, may be placed back in their previous assignment and are subject to conduct action, including a \$100.00 processing fee for moving without permission. The College makes assignments without regard to age, color, creed, disability, marital status, national origin, race, sexual orientation, and gender identity. Room assignments will be made to accommodate smokers and non-smokers as noted on the Housing Application

### **Visitation:**

All residential students must be with their guests at all times in the residence hall. This includes when a guest arrives, escorting guests/visitors to the bathroom and vending machines, as well as when the guest/visitor is leaving the hall.

(1) Definition – a “Guest” is defined as any individual who is not currently assigned as a resident of that particular residence hall.

(2) Proper concern for the needs of roommates and other residents must be shown. In all cases, the rights of roommates supersede those of guests. Residents will be held responsible for the behavior of their guests. Hosts must ensure that guests abide by residence hall policies. Students who violate guest policies face loss of guest visitation privileges, or other disciplinary action.

Non-Barton College student guests who violate College policies and regulations may be banned from the College and face possible civil/criminal action.

(3) Students living in the residence hall are allowed a guest for up to three consecutive nights and not exceeding more than six nights total per academic semester. Any individual guest cannot be on Barton College property for more than six total nights per academic semester. Students are expected to honor the “spirit” of this policy, to prevent de-facto cohabitation by non-residents. An extended pattern of visitation which, in the judgment of Residence Life staff, indicates unauthorized residence in a residential unit, or disrespect of the rights of the roommate(s), may lead to immediate removal of the guest, disciplinary action, reassignment to another room, and/or loss of the host’s and guest’s privileges.

### **Windows:**

Tampering, blocking or opening windows that require tools to open are prohibited. Throwing or dropping items from any window is prohibited. Hanging items outside windows without prior permission is also prohibited. Unauthorized access to balconies is also prohibited.

**NOTE:** The Office of Residence Life reserves the right to revise policies and procedures as needed throughout the academic year to best serve the campus community. For additional information about Residence Life policies and procedures, please refer to the Office of Residence Life website. <https://www.barton.edu/campus-life/residence-life/>

## **G. Academic Integrity Policies**

- I.) Policy on Academic Honesty. The following list of violations outlines infractions. The list is not comprehensive.

Academic Dishonesty is defined as any act of cheating and plagiarism. Cheating is defined as giving or receiving aid, including attempting to give or receive aid, without the specific consent of the professor; on quizzes, examinations, assignments, etc. Plagiarism is defined as presenting as one’s own the writing or work of others.

Whenever phrasing is borrowed, even if only two or three words, the indebtedness should be recognized by the use of quotation marks and mention of the author’s name. The language of another is not made the writer’s own by omission, rearrangement, or new combinations; such an act is plagiarism.

Disruption of educational process is defined as the obstruction or disruption of teaching, disciplinary procedures, administration, or other College activities. Sanctions for violations of academic honesty are found on page 103 of this handbook. The College uses a software program to verify that student work is not plagiarized and students are strongly encouraged to ask their instructors about using the program to check their own work before turning it in.

- 2.) Disruptive Behavior in the Classroom: The instructor may withdraw a student from a course for behavior that is deemed by the instructor to be disruptive to the class. If the student is withdrawn from the course during the drop period, he or she will simply be dropped from the course. If the student is withdrawn from the course before the last official date to withdraw, the instructor will record the grade either as "WP" or "WF," depending on the student's performance. After the official last date to withdraw, the student will automatically receive a "WF."

The WF grade is punitive and affects the grade point average as a failing grade. If the student feels that the dismissal from the class is unjustified, he or she may request an Honor Code hearing and has a choice of an appeal to the Vice President for Academic Affairs or an Honor Code Conduct Board Hearing. In either case, the student must first meet with the instructor and then with the instructor and the dean/chair, following the submission of a written appeal. If the instructor and the chair/dean cannot resolve the issue or if the student disagrees with their ruling, the student then has a choice of an Honor Code Conduct Board Hearing or a hearing with the Vice President for Academic Affairs, the instructor, and the chair/dean.

## H. Campus Policies

Those prohibited behaviors and processes associated with Sexual Misconduct and Interpersonal Violence are administered under the authority of the College's Title IX Coordinator and govern all students. Usually, this is when they are cooperating or participating in a more serious violation of College policies (e.g. Sexual Assault). In this case, educational options will be explored, but no conduct proceedings or conduct record will result. (Records regarding the provisions of amnesty may be maintained by the Office of Student Engagement).

Students arrested may be subject to College disciplinary action when their conduct violates College policies as determined using College procedures and standards of proof.

Violations of these policies are considered violations of the Student Code of Conduct.

**Barton College Policy on Electronic Devices:** All members of the Barton College community are expected to show civility toward others. The use of any electronic device in a learning environment can be disruptive and disrespectful of others. Unless the devices are approved as accommodations for persons with disabilities or have been designated for use in the classroom by the instructor, all such devices should be turned off and put away during classes, at public meetings such as lectures and performances, and at any other events at which their use could be offensive or disruptive to others. Students are strictly forbidden from using cell phones for talking or texting, from listening to an I-pod, and from using any other unapproved electronic device during class. A student may be asked to leave the classroom immediately if they violate this policy. The instructor has the right to count the student absent for that day and the right to assign a penalty if the student continues to use the device. The instructor also has the right to assign a punitive grade for the course or to withdraw a student from the course if the behavior, in the instructor's opinion, is a serious disruption for the class. See the preceding statement of policy on "Disruptive Behavior in the Classroom" for an explanation of this process.

## I. Sexual Misconduct and Interpersonal Violence Policies

**General Statement.** Barton College is committed to providing a safe environment for all of its students and employees free from discrimination on any grounds. Barton does not tolerate acts of sexual harassment, interpersonal violence, sexual misconduct, and sex and/or gender-based discrimination. All members of the community should conduct themselves, therefore with integrity, respect and consideration for others.

Anyone who believes that they have experienced a Title IX violation may contact the Vice President for People and Support and/or the Title IX Coordinator/ EEO officer.

Anyone, including employees of Barton, students, contractors, or visitors who sexually harasses or discriminate against another will be addressed in accordance with this internal policy whether it takes place within Barton's premises or at College programs or activities held off site, including student organization or department social events, business trips, training sessions or conferences as well as athletic events on or off-campus. Barton understands the negative impact sexual misconduct can have on individuals and the Barton community and therefore strives to provide information and training such that it can be eliminated and prevented.

To that end, the objectives of this policy are to:

- help define sexual misconduct and interpersonal violence so that each member of the community can recognize it,
- outline procedures for filing reports when it is suspected that a policy violation has occurred,
- explain the investigative process and possible sanctions and disciplinary measures to be enforced when a violation has occurred,
- provide knowledge of the responsibilities of all employees of Barton so that those involved in a violation of policy can be assisted.

### Definition and Examples of Prohibited Conduct.

Any of the following conduct on the basis of sex constitutes sexual harassment:

- Conditioning an educational benefit or service upon a person's participation in unwelcome sexual conduct (often called "quid pro quo" harassment); or
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the school's education program or activity; or

- Sexual assault, dating violence, domestic violence, or stalking (as those offenses are defined in the Clery Act and the Violence Against Women Act).

Sexual harassment can be physical and psychological in nature. An aggregation of incidents can constitute sexual harassment even if one of the incidents considered on its own would not be harassing. Sexual harassment can occur regardless of the gender of a person being subject to the harassment and the gender of the harasser. Sexual harassment may also occur between people of the same gender.

Some examples may include but are not limited to:

- 1.) Subjecting or threats of subjecting, an employee or student to unwelcome sexual attention or conduct or intentionally making performance of the employee's job or student's coursework more difficult because of that employee's or student's gender.
- 2.) Sexual or discriminatory displays or publications anywhere in Barton's workplace by Barton employees.
- 3.) Unwelcome sexual advances, propositions, or sexual comments, such as sexually oriented gestures, noises, remarks, jokes, or comments about a person's sexuality or sexual experience.
- 4.) Preferential treatment or promises of preferential treatment in exchange for submitting to sexual conduct.
  - a. Soliciting or attempting to solicit any employee to engage in sexual activity for compensation or reward.
  - b. Soliciting or attempting to solicit a student to engage in sexual activity for a good grade or other advantage, educational or otherwise.
- 5.) Non-Consensual Sexual Intercourse:
  - a. Any sexual penetration or intercourse (anal, oral or vaginal), however slight, with any object, by a person upon another person, that is without consent and/or by force.
  - b. "Sexual penetration" includes vaginal or anal penetration by a penis, tongue, finger or object, or oral copulation by mouth to genital contact or genital to mouth contact.
- 6.) Non-Consensual Sexual Contact:
  - a. Any intentional sexual touching, however slight, with any object, by a person upon another person that is without consent and/or by force.
  - b. "Sexual touching" includes any bodily contact with the breasts, groin, genitals, mouth or other bodily orifice of another individual, or any

other bodily contact in a sexual manner (examples include touching, pinching, patting, grabbing, brushing against another person's body or poking another's body)

- 7.) Sexual Exploitation involves a situation in which a person takes non-consensual or abusive sexual advantage of another. Examples of sexual exploitation include, but are not limited to:
- a. Sexual voyeurism (such as watching a person undressing, using the bathroom or engaged in sexual acts without the consent of the person observed).
  - b. Taking pictures or video or audio recording another in a sexual act, or in any other private activity without the consent of all involved in the activity, or exceeding the boundaries of consent (such as allowing another person to hide in a closet and observe sexual activity, or disseminating sexual pictures without the photographed person's consent).
  - c. Unauthorized taking, sharing, or distributing of pictures, videos or other media of a sexual nature.
  - d. Prostitution.
  - e. Engaging in sexual activity with another person while knowingly infected with human immunodeficiency virus (HIV) or other sexually transmitted disease (STD) and without informing the other person of the infection, and further includes administering alcohol or drugs (such as "date rape" drugs) to another person without his or her knowledge or consent.
- 8.) Relationship or Intimate Partner Violence (also known as Dating Violence or Domestic Violence) is abusive behavior that is used by an intimate partner to gain or maintain power and control over the other partner. Intimate partner violence can be:
- a. Physical, sexual, emotional, economic, or psychological actions or threats of actions that influence another person.
  - b. Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the complainant, where the existence of such a relationship is determined based on the following factors:
    - i. Length of the relationship
    - ii. Type of the relationship
    - iii. Frequency of interaction between the persons involved in the relationship

- 9.) Stalking:
- a. A course of conduct directed at a specific person on the basis of actual or perceived membership in a protected class that is unwelcome, and would cause a reasonable person to feel fear; OR
  - b. Repetitive and menacing conduct, purposely or knowingly causing emotional distress, or pursuing, following, harassing, and/or interfering with the peace and/or the safety of another:

## Statement on Consent, Confidentiality, and Privacy

### Consent

Consent is knowing, voluntary and clear permission by word or action, to engage in mutually agreed upon sexual activity. Since individuals may experience the same interaction in different ways, it is the responsibility of each party to make certain that the other has consented before engaging in the activity. For consent to be valid, there must be a clear expression in words or actions that the other individual consented to that specific sexual conduct.

- 1.) A person cannot consent if he or she is unable to understand what is happening or is disoriented, helpless, asleep, or unconscious for any reason, including due to alcohol or other drugs. An individual who engages in sexual activity when the individual knows, or should know, that the other person is physically or mentally incapacitated has violated this policy. It is not an excuse that the individual respondent of sexual misconduct was intoxicated and, therefore, did not realize the incapacity of the other. Incapacitation is defined as a state where someone cannot make rational, reasonable decisions because they lack the capacity to give knowing consent (e.g., to understand the “who, what, when, where, why or how” of their sexual interaction). This policy also covers a person whose incapacity results from mental disability, involuntary physical restraint, and/or from the taking of incapacitating drugs.
- 2.) Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). A current or previous dating relationship is not sufficient to constitute consent. The existence of consent is based on the totality of the circumstances, including the context in which the alleged incident occurred and any similar previous patterns that may be evidenced. Silence or the absence of resistance alone is not consent.
- 3.) A person can withdraw consent at any time during sexual activity by expressing in words or actions that he or she no longer wants the act to continue, and, if that happens, the other person must stop immediately.

- 4.) A minor below the age of consent according to state law cannot consent to sexual activity. This means that sexual contact by an adult with a person below the age of consent is a crime as well as a violation of this policy, even if the minor appeared to have consented to engage in the act.

## Confidentiality and Privacy

All reports and investigations are treated confidential to the extent possible and information is disclosed strictly on a need-to-know basis. Additionally, should either party wish to acquire /use the other party's medical, psychological, or similar treatment records during a hearing process, written permission by that party is required and must be obtained via the Title IX Coordinator's office.

The identity of the complainant is usually revealed to the parties involved during the investigation and retaliation is not permitted in any form during and after the investigation toward the complainant or respondent. Any complainant who wishes to remain anonymous, may need to discuss their report with a confidential source, who by their position are able to maintain confidentiality; however, if it is desired that an investigation be conducted and action taken, it will be necessary to reveal those involved in the situation to thoroughly investigate the reported incident to its conclusion.

Any person found to have sexually harassed another will face disciplinary action, up to and including termination of employment if an employee of the College and up to and including expulsion if a student of the College. Any person who willingly files a false report and/or bears false witness against someone involved in a sexual harassment complaint may also be subject to the same discipline alternatives.

All information pertaining to a report of sexual harassment or investigation is maintained in secure files within the Vice President for People and Support and /or Title IX Coordinator's office(s).

## Retention of Records Regarding Reports of Sexual Discrimination; Sexual Harassment and Sexual Violence:

The Office of the Title IX Coordinator is responsible for maintaining records related to sexual harassment and sexual violence reports, investigations, and resolutions. Records shall be maintained in accordance with College records policies, generally five years after the date the complaint is resolved. Records may be maintained longer at the discretion of the Title IX Coordinator, particularly in cases where the parties have continuing affiliation with the College. All records pertaining to pending litigation or a request for records shall be maintained in accordance with instructions from legal counsel.

    - (g) Cases that originated with a Hearing Officer in the Office of Residence Life but were referred to the Office of Student Student Engagement or a Student Conduct Board Hearing.
  - iii. Interim Actions/Restrictions During the Investigation
    - (a) The College may take interim actions as necessary to protect the community from a threat to the health or safety of the community as a whole, to any particular member of the community, or in cases where there may be a risk of a substantial disruption to the normal operations of the College. In all cases, the subject of the interim action will be given an opportunity to be heard by the Director of Residence Life or designee on the necessity of the restriction.

These actions may include, but are not limited to:

- (b) Interim Suspension. A student/organization who is suspended on an interim basis is subject to all of the same restrictions as if they had been suspended as a final sanction.

- (c) Interim Restrictions. These restrictions may include, but are not limited to: restricted access to facilities, housing and/or events, temporary removal from co-curricular involvements including athletic teams, student organizations, or campus leadership roles; no-contact orders with specific individuals; or any other restrictions deemed by the Director of Residence Life or designee to be necessary to achieve the goals stated above.

(NOTE: Barton will not pay for or make any arrangements for housing for any student removed from housing on an interim basis.)

- (d) Altering any of these restrictions may be predicated on the requirement to engage in a psychological assessment, drug/alcohol testing, interviews, etc. at the discretion of the Director of Residence Life or designee.

iv. Process for Adjudication

Depending upon the severity of alleged violation, respondent will be assigned either a student conduct conference or student conduct hearing board.

## I. Notice of Allegations and Hearing

- (I) The Office of Residence Life will send a written communication (letter and/or email) to the parties with the following information:
  - (a) A description of the alleged violation(s), a description of the applicable policies and a statement of the potential sanctions/responsive actions that could result;
  - (b) The time, date and location of the hearing and a reminder that attendance is mandatory, superseding all other campus activities. If any party does not appear at the scheduled hearing, the hearing will be held in their absence. For compelling reasons, the Director of Residence Life or designee may reschedule the hearing. Hearings for possible violations that occur near or after the end of an academic term will be held immediately after the end of the term or during the summer; as needed, to meet the resolution timeline followed by the College. In these cases, the College reserves the right at this moment to adjust the protocol to fairly achieve resolution.

a. Step 1: Student Conduct Conference

After the incident report is reviewed and potential code of conduct violations are identified, the student is sent a notice via Barton College email from the Office of Student Engagement indicating the potential charges.

The notice also provides a date, time, and location for the Student Conduct Conference that does not conflict with the student's course schedule. The notice will also identify the Hearing Officer assigned to the case. If the student does not attend the scheduled conference or contact the Hearing Officer in a timely manner to reschedule the conference, then the Hearing Officer will make a decision and adjudicate the case based on all the information received and available at that time. The student will be notified of the decision.

Whether the case is adjudicated through an Administrative Hearing or a Student Conduct Board Hearing, the Hearing Officer or Board will use the preponderance of evidence standard of proof to determine the appropriate finding. A preponderance of evidence exists when a reasonable person, after evaluating all credible information available at the time of the investigation, would conclude that it is more likely than not a violation has occurred.

- i. At the Student Conduct Conference, the Hearing Officer reviews the potential charges, informs the student about Barton College's process for investigating and adjudicating potential violations of the Code of Conduct, and answers any student questions regarding the process.
- ii. At the conclusion of the Student Conduct Conference, the appropriate course of action will be determined. The outcome of the conference may include:
  - (1) Deciding that there is insufficient evidence to pursue the case.
  - (2) Setting charges and conducting an Administrative Hearing at that time.
  - (3) Setting charges and scheduling an Administrative Hearing for a later date.
  - (4) Postponing setting charges until a more comprehensive investigation can take place.

(5) Referring the case to the Student Conduct Board Hearing.

The College also reserves the right to conduct these hearings via College approved video-conferencing platforms.

iii. Prior to the Student Conduct Board Hearing

(1) The Student Conduct Board members (and alternates), the Respondent and, when appropriate, the Complainant copies of all appropriate documentation. This will include, but is not limited to:

(a) The investigation report if applicable.

(b) A list of any witnesses who will be available for the hearing, should their testimony be necessary.

(c) The names of the Student Conduct Board members and alternates, to allow for any challenges for cause/bias to be made to the Vice President for Student Engagement or designee.

(i) The Vice President for Student Engagement or designee will consider all challenges and the parties will be notified as to the determination.

(d) Any other supporting documentation.

(2) Any special requests by any parties for a screen or closed circuit participation or accommodations for registered disabilities. The Director of Residence Life and/or designees will make the final determinations on these requests.

iv. All Student Conduct Board Hearings will be audio recorded.

v. Proceedings are private. All persons present at any time during the hearing are expected to maintain the privacy of the proceedings, subject to College consequences for failure to do so. While the contents of the hearing are private, the parties have discretion to share their own experiences if they so choose, and should discuss doing so with their advisors/advocates as noted below.

vi. In hearings involving more than one Respondent or in which two Complainants have accused the same individual of substantially similar conduct, the standard procedure will be to hear the complaints jointly; however, the Director of Residence Life or designee may permit the hearing pertinent to each respondent to be conducted separately. In joint hearings, separate determinations of responsibility will be made for each respondent.

- vii. During the Hearing:
  - (1) Formal rules of evidence will not apply. Any evidence that the Student Conduct Board believes is relevant and credible may be considered, including history and pattern evidence. The Chair will address any evidentiary concerns prior to and/or during the hearing and may exclude irrelevant or immaterial evidence and may ask the panel to disregard evidence lacking in credibility. The Chair will determine all questions of procedure and evidence.
  - (2) Character witnesses are not permitted to testify in the determinations stage of the hearing, nor are statements of character to be introduced.
  - (3) Two letters of character support may be submitted for the sanctioning phase of the hearing.
  - (4) "Impact statements," describing the effect that the incident has had on the Complainant or Respondent will not be permitted in the determinations phase of the hearing, but may be offered in person or in writing during the sanctioning phase of the hearing.
- viii. Student Conduct Board Hearings are completed within 30 calendar days of report of the incident.
- ix. All Student Conduct Board Hearings are restricted to those who are directly involved with the incident and those requested to be present by the institution. Complainant and Respondent may bring one advisor of their choice.
  - (1) Typically, advisors are members of the campus community, but they may be anyone that the parties choose.
  - (2) Advisors may only counsel the student and may not actively participate in the hearing. The advisor may not make a presentation or represent the student in the hearing. They may confer quietly with their advisee, exchange notes, and suggest questions to their advisee.
  - (a) An advisor who is not in compliance with Barton College's Code of Conduct expectations for advisors will be reminded of the role of the advisor one time. After that, the hearing may be cancelled or the advisor may be asked to leave.

c. Investigation Findings

- i. Whether the case is adjudicated through an Administrative Hearing or a Student Conduct Board Hearing, the Hearing Officer or Board will use the preponderance of evidence standard of proof to determine the appropriate finding. A preponderance of evidence exists when a reasonable person, after evaluating all credible information available at the time of the investigation, would conclude that it is more likely than not a violation has occurred.
  - (a) No Finding: In these cases, the Hearing Officer or Student Conduct Board has made a determination that the Complainant is not involved in a violation of policy. The Respondent name will be cleared for purposes of third party reporting, but the record of the investigation will be retained. This finding is not subject to any appeal.
  - (b) Not Responsible: In these cases, the Hearing Officer or Student Conduct Board has determined that insufficient evidence exists for a finding of responsibility for any of the allegations. The case is closed and a record of the not responsible finding(s) is retained by the College.
  - (c) Responsible: In these cases, the Hearing Officer or Student Conduct Board determines that sufficient evidence exists for a finding of "Responsible" for any of the violations. The Respondent has the option to appeal the finding, the sanction, or both.

d. Sanctions

i. Individual Students

- (a) The following College-wide disciplinary sanctions may be imposed upon students found responsible for a violation of the Code of Student Conduct. All sanctions may be imposed either singularly or in combination.
- (b) The purposes of imposing sanctions are twofold: one, to protect the College community from behavior which is detrimental to the community and /or the educational mission of the College by stopping the behavior; preventing its recurrence and remedying the effect on the victim and the community; and two, to assist students in understanding campus standards for behavior and identifying acceptable parameters and consequences of future behavior.

The sanction(s) imposed is/are intended to correspond with the severity or frequency of violations, as well as the student's willingness to recommit him/herself to behaviors that fall within the Code of Student Conduct of the College and are consistent with the mission and values of Barton College.

Other factors that may affect the sanctions are:

#### (d) Housing and Residence Life Specific Sanctions

- (1) Permanent Housing Removal: Immediate removal from College housing with no ability to return.

**NOTE:** Any student permanently removed from College housing for disciplinary reasons must vacate the hall within the period of time noted in the notice of removal (typically immediately). The student may not return to any residence hall without prior written permission by the Director of Residence Life or designee. Failure to comply with this request will constitute criminal trespass. #### ii. Student Organizations

- (a) The following disciplinary sanctions may be imposed upon student organizations when they have been found responsible for violating the Code of Student Conduct. All sanctions may be imposed either individually or in combination. Disciplinary sanctions are imposed for

the purpose of holding student organizations and their membership accountable for their actions and the actions of their guest(s), whether on campus or at any organization sponsored function.

- (1) Permanent Revocation of Organizational Registration: "Permanent revocation" of the organization's registration means revocation without the ability to apply for new registration. Any organization whose registration is permanently revoked must cease all organizational activities upon receipt of the notice of permanent revocation. Balances of all organizational funds granted by the College and/or the Student Government Association are to be surrendered to the Division of Student Engagement or designee. Such property may belong to an individual, group, or the College. Restitution may be in the form of financial payment, public service, or other special activities designated by the hearing authority.

e. Appeals

i. General Guidelines

- (a) The Respondent may submit a Request for Appeal (RFA) form to the Office of Residence Life.  
<https://www.barton.edu/wp-content/uploads/2022/10/student-conduct-appeal.pdf>
- (b) The form must be submitted within 5 business days, by 5pm, after the initial decision and finding has been rendered.
- (c) All sanctions instituted by the original hearing body are to be implemented, barring extreme exigent circumstances. Final exams, graduation, and/or proximity to the end of a term are not considered exigent circumstances.
- (d) The presumptive stance of the Request for Appeal (RFA) Reviewer is to be that the original hearing body was correct in its initial finding. The burden is on the appellant to show error as outlined below in the Grounds for Appeal.
- (e) Appeals are not intended to be full re-hearings of the allegation(s). In most cases, appeals are confined to a review of the written documentation or record of the original hearing, and pertinent documentation regarding the grounds for appeal. No interviewing of or testimony by the parties is appropriate.
- (f) The RFA Reviewer may, at their discretion, request information regarding procedure from the Investigator or original Hearing Officer. Ideally, this information would not be necessary, as it should be included in the written Requests and/or response Memorandums.

ii. Grounds for Appeal

(a) New Facts

- (I) Discovery of substantial new facts that were not reasonably available at the time of the hearing and are material to the original finding or sanction. Withholding information or declining to participate in the original hearing is not grounds for appeal based on discovery of new facts. If the appeal is based on substantial new facts, the request must outline the following:
  - (i) Source of new information and complete explanation of that information.
  - (ii) Names(s) of who can present this information.

- (iii) Reasons(s) why this information was not presented at the original hearing.
- (iv) Reasons(s) why this information may contribute to a decision other than that which was originally made.

(2) Arbitrary and Capricious Sanctioning

- (i) Sanctions may be changed only if they are substantially disproportionate to the conduct violation, considering any mitigating and aggravating factors, including but not limited to disciplinary history of the student found responsible.

- I – If the appeal is based on arbitrary or capricious sanctioning, the request must outline why the assigned sanctions are disproportionate to the Code of Conduct violation.

(3) Procedural Violation

- (1) If it is believed there was a substantial violation of the hearing procedure that significantly impacted the outcome of the hearing (e.g. substantiated bias, material deviation from established procedures that could affect the outcome of the hearing, etc.), the appeal request must outline the following:

- 1 – Citation of specific procedural errors with appropriate references.

- 2 – Reason(s) why procedural error was not mentioned in the original hearing.

- 3 – Reason(s) why correction of error can contribute to a decision other than that which was originally made.

iii. Procedures

- (a) A Request for Appeal must be submitted in writing to the Office of Residence Life within 5 business days of notification of the outcome of the original hearing. All outcomes are assumed received by all parties 5 days after sent via mail or email.
- (1) Any Request for Appeal not filed in a timely fashion will be denied. No exceptions to this timeline are permissible without the express permission of the Provost or their designee.
- (2) The Request for Appeal reviewer should not have been involved in the investigation.

- (3) The Request for Appeal reviewer reviewing the request may consider credibility, plausibility, and weight in their assessment of the request.
  - (4) Any Request for Appeal will be shared with all parties (Respondent, Complainant, (original Hearing Officer) who may respond to the Request in a "Response Memorandum."
  - (5) All Response Memorandums must be submitted to the Request for Appeal Reviewer for consideration within three (3) days of their notification of the Request for Appeal.
  - (6) All Response Memorandums will be shared with all parties.
  - (7) The Request for Appeal Reviewer, after considering all Requests and Response Memorandums, will make one of the following determinations:
    - (i) The Request for Appeal is denied. This decision is final and there is no appeal to this decision permitted by any party.
    - (ii) The Request for Appeal is being forwarded for consideration to the Dean of Students.
  - (8) Any decision will be communicated to all parties barring exigent circumstances, of the Request for Appeal Reviewer's decision.
- (b) Appeals forwarded to the College Student Conduct Appeals Panel.
- (1) The College Student Conduct Appeals Panel is made up from a pool of faculty members and administrators selected by the Dean of Students or their designee and is comprised of three total individuals.
  - (i) In certain cases, the Dean of Students may chair the College Student Conduct Appeals Panel when other members of the pool cannot be utilized due to timelines, bias, etc.
- (c) Forwarded Requests for appeals will be considered and decided and will be communicated to all parties in writing barring exigent circumstances, of receipt from the RFA Reviewer.
- (d) The College Student Conduct Appeals Panel decisions are limited to the following:
- (1) Affirming the decision of the original hearing body.

- (2) In cases where the College Student Conduct Appeals Panel determines that the procedural error did significantly impact the finding or sanction, it will either:
- (i) Remand the case back to be reheard by a new Student Conduct Board /Hearing Officer. This is typically done in cases where the procedural error is so profound as to render the original board too biased or influenced. Or;
  - (ii) Remand the case back to the original hearing body with instruction to repair the procedural error.
- (3) In cases where the College Student Conduct Appeals Panel determines that the new evidence, unavailable during the original hearing or investigation, is now available and could substantially impact the original finding or sanction it will either:
- (i) Remand the case back to the original hearing body with instruction to consider the new evidence.
    - I – In these cases, the original hearing body will convene solely to consider the new evidence. Whether all parties are required to be in attendance is at the discretion of the Chair /Original Hearing Officer.
  - (ii) Remand the case back to be reheard in its entirety by a new Student Conduct Board /Hearing Officer. This is typically done in cases where the new evidence is accompanied by a procedural error so profound as to render the original panel too biased or influenced.
- (4) In rare cases, the College Student Conduct Appeals Panel may alter the finding or sanction based on the new evidence. This will only be done in cases where reconvening the Panel would put an undue burden on the parties (e.g., the Panel is not available).

In cases where a new panel is convened or the original hearing panel is reconvened, the appellate process may still be available to the parties, but only on the outcomes and proceedings of the most recent hearing, and subject to the same grounds and restrictions. There are no appeals procedures applicable to a decision affirming the original findings.

## **Section V – Investigation and Hearing Procedures for Violations of Academic Integrity Policies Standards**

Student Conduct Policy for Academic Infractions is based on Barton College's Honor Code and academic expectations of its students as set forth in the College's policies.

### **A. Student Conduct Procedures for Academic Infractions**

- 1.) Filing a Complaint. Any member of the College Faculty may bring a charge against a student(s). A student may report him/herself for committing an academic violation. Any student may also bring to the attention of the instructor suspected acts of academic infractions.
- 2.) Disposition of Academic Infraction Charge
  - a. If an instructor suspects that an academic infraction has occurred, the instructor will first notify the student and the dean of the school or the chair of the department.
  - b. The dean or chair will contact the office of the Vice President for Academic Affairs to learn whether this alleged infraction is the first recorded infraction by the student. If this is the first infraction, the instructor, chair or dean, and student will meet. If the chair or dean and the instructor agree that no infraction occurred, the matter ends. If this is not a first infraction, the dean or chair will ask the VPAA to schedule a Conduct Board Hearing.
  - c. If the instructor and the dean or chair agree that an infraction has occurred, the instructor will assess an appropriate penalty. If the student and instructor agree on the penalty, the instructor will report the infraction and penalty to the dean or chair, who will see that the penalty is appropriately recorded by the Office of the Vice President for Academic Affairs. The Vice President for Academic Affairs will communicate in writing to the student concerning the serious consequences of any subsequent academic infractions. The letter will be placed in the student's file.
  - d. If the student and instructor do not agree that an infraction has occurred or do not agree concerning the penalty, the instructor will report this to the dean or chair. The dean or chair then refers the process to a VPAA Hearing.
  - e. The VPAA Hearing will involve only the dean or chair; the student, the instructor; any appropriate witnesses, and (if requested by the student) a support person who is a member of the faculty or staff of the college.

- f. The VPAA Hearing ends with the decision rendered by the VPAA.  
At the conclusion of the hearing, the VPAA will make a decision on the case and write letters describing the decision to the student, the instructor, and the dean or chair. If the student is found guilty of an academic infraction, the letter will be placed in the student's file in the office of the VPAA.
- g. If there is already an infraction on the student's record, the dean or chair will ask the office of the Vice President for Academic Affairs to schedule a Conduct Board Hearing.
- h. The instructor will report in writing to the Vice President for Academic Affairs and to the dean or chair the formal charge of an academic infraction and the result of any previous conversation with the student. This information will be forwarded to the Conduct Board. The Conduct Board, under the leadership of Student Affairs, will be in charge of the Conduct Board Hearing. All materials concerning the alleged infraction will be forwarded by the VPAA to the office of the VPSA. The Conduct Board consists of faculty, staff, and students who have received training in judicial procedures.

## B. Sanctions for Academic Infractions

Sanctions resulting from an academic infraction include but are not limited to:

- 1.) A first violation will usually result in a 0 or F on a specific work or for the course.
- 2.) For a second offense, a student will normally be suspended for the remainder of the semester and for the following semester:
  - a. Students who are suspended as a consequence of academic dishonesty will not be able to transfer College credits toward a Barton degree from courses taken elsewhere while on suspension.
  - b. A student may return to Barton after a period of suspension on the condition that he /she provides a written statement affirming commitment to Barton's Honor Code. The statement should be sent to the VPAA, who will include it in College Judicial Council files. The statement will be placed in the student's file.
  - c. For a third offense a student will usually be expelled from the College.

## Section VI – Investigation and Hearing Procedures for Violations of Sexual Misconduct and Interpersonal Violence (Title IX) Policies Standards

### A. Reporting Procedures and Responsibilities

#### 1.) Procedures

Barton considers all incidents to be serious and strives to promptly investigate all allegations of sexual misconduct. If an employee or student feels that he or she is being subjected to sexual misconduct, he or she should:

- a. Immediately inform the person(s) that the conduct is unwelcome and needs to stop. Whether the conduct ceases or does not cease, or if the employee or student is unable to or is uncomfortable with addressing the person(s) directly, he or she should proceed to reporting the conduct outlined below.
- b. Report the incident to the appropriate supervisor; Deputy Title IX Coordinator or Title IX Coordinator. The Title IX Office may be reached at (252) 399-6330.
- c. Provide a written record of the date, time and nature of the incident(s) and the names of any witnesses (This written record is helpful but not required). It is important to report all concerns of sexual harassment or inappropriate sexual conduct to the appropriate supervisor; Vice President for People and Support / Title IX Coordinator as soon as possible so that an investigation can occur and appropriate action can follow.

#### 2.) Responsibilities:

- a. **All Barton employees** are considered **responsible parties** unless their position grants them confidentiality rights and are required to report any potential Title IX violations to the Title IX Coordinator.
- b. **Confidential Employees** with **state-conferred privileges** are not required to report knowledge of sex/gender-based misconduct. They include:
  - Campus mental-health counselors
  - Chaplain
  - Physicians and health care providers
  - Those supervised by a confidential employee in the scope of their management of that employee.

- c. **All Management** who are made aware of a possible Title IX violation must:
  - i. Take all reports seriously
  - ii. Report all incidents to the Title IX Coordinator
  - iii. Take appropriate action to prevent retaliation or prohibited conduct from recurring during and after any investigation or report.
- d. The Title IX Coordinator is responsible for general oversight of all Title IX issues including but not limited to:
  - i. Ensuring that both the complainant and the respondent are aware of the seriousness of a report of sexual harassment /misconduct.
  - ii. Ensuring the College has jurisdiction over the potential infraction. Jurisdiction exists when the infraction incurs within the United States and when the College has control over the respondent and the context in which the sexual harassment occurs. This includes any building owned or controlled by a student organization that is officially recognized by the College.
  - iii. Explaining Barton's Title IX policy, investigation and hearing procedures to all parties involved including the informal resolution process option.
  - iv. Preparing and issuing a report for confirmation of the details reported to the Coordinator where applicable.
  - v. Arranging for and providing oversight for the investigation of the reported events, the hearing process, the informal resolution process, and for the administration of the final sanctions issued through the Student Conduct Office, if applicable, to the parties involved.
    - a.) The Title IX Coordinator or designee will review the information provided for the reported event to determine whether a policy violation may have occurred and warrants a formal investigation. All formal complaints will be investigated.
    - b.) It is up to the Title IX Coordinator to determine if an in-house investigation will be conducted or if an outside third party will be contracted to complete the investigation. All reports involving senior management at the vice-president level or above may be handled by an external third party in accordance with Barton's policies and procedures.

- c.) If the Title IX Coordinator finds no evidence of a Title IX policy violation, he or she will issue a report to the parties involved, noting the finding as well as any recommendations relevant to the case including if applicable, referral to another grievance process if appropriate.
- d.) Once a formal complaint is received, if both the complainant and the respondent agree, in writing, to an informal resolution process (which is available except in cases involving an employee and a student), the Title IX Coordinator will oversee this process, which does not involve a hearing. At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution and resume the grievance process with respect to the formal complaint. All requests for informal resolution must be approved by the Title IX Coordinator before moving to internal resolution. Requests may be denied depending on the specifics of the case.
- e.) If a formal claim is submitted relative to a Title IX infraction, the Title IX Coordinator will refer it to the formal resolution process which involves the assignment of two investigators who will conduct the fact finding process, after which the final report is prepared and submitted to a hearing officer or board who will coordinate a hearing under the general oversight of the Title IX Coordinator.
- f.) If a hearing is held under the formal resolution process, the complainant and respondent must have an advisor to represent them. If they do not have one, the College will provide an advisor for each party. During the hearing, the complainant and respondent will not be physically present in the room at the same time. The College may coordinate the hearing in a physical location and/or online accordingly. The advisor of each party will have a time to ask questions of the other party and to cross-examine testimony accordingly.
- g.) At the conclusion of the hearing, the hearing officer or hearing board will review the investigative report and all evidence presented at the hearing before issuing a finding and sanctions if applicable. A final report summarizing the case investigation, hearing, findings, and sanctions will be issued to the Title IX Coordinator who will ensure both parties are notified of the results and all case information is retained confidentially in the Office of the Title IX Coordinator.

- vi. Ensuring the administration of sanctions if assigned by the Office of Student Conduct.
- vii. Providing instructions for recourse should any of the applied sanctions are breached.
- viii. Providing direction should either party wish to appeal the final finding, sanction or both the finding and the sanction.

## B. Interim Actions/Restriction

The College may take immediate interim actions as necessary to protect the community from a threat to the health or safety of the community as a whole, to any particular member of the community, or in cases where there may be a risk of a substantial disruption to the normal operations of the College. In all cases, the subject of the interim action will be given an opportunity to be heard by the Title IX Coordinator or designee on the necessity of the restriction within two (2) business days of the issuing of the restrictions. These actions may include, but are not limited to:

### 1.) Interim Suspension:

- a. A student/organization who is suspended on an interim basis is subject to all of the same restrictions as if they had been suspended as a final sanction.
- b. Suspended employees may be required to take time off with pay as determined by the Title IX Coordinator. This may require the use of available paid leave.

### 2.) Interim Restrictions:

- a. These restrictions may include, but are not limited to: restricted access to facilities, housing and/or events, no-contact orders with specific individuals, etc. or any other restrictions deemed by the Title IX Coordinator or designee to be necessary to achieve the goals stated above.

**NOTE:** Barton will not pay for or make any arrangements for housing for any student removed from housing on an interim basis.

- b. Altering any of these restrictions may be predicated on the requirement to engage in a psychological assessment, drug/alcohol testing, interviews, etc. at the discretion of the Title IX Coordinator or designee.

## C. Investigations and Hearings

- 1.) Following receipt of notice of a possible violation of Barton's Title IX policy, the Title IX Coordinator or designee will contact the relevant parties to discuss what occurred and to help determine the next steps to be taken which may include a formal report and formal resolution process, a formal report and pursuit of the informal resolution process, or a referral to an alternative grievance process if applicable.
  - a. In all cases, Barton will seek to have cases reach resolution of the allegation, barring exigent circumstances. The Title IX Coordinator, or designee will strive to provide notice to the respondent and the complainant of any delays or extensions as they occur (if appropriate).
  - b. The College may undertake a short delay (approximately 7-14 days, to allow for evidence collection) when criminal charges on the basis of the same behaviors that initiated the process are being investigated.
- 2.) All complainants and respondents may designate an advisor of their choice, to help provide support during the investigation, interviews, and meetings called by the College. If a formal report is filed, each party must have an advisor to help them through the hearing process. If the reporting or respondent does not have an advisor, the College may appoint one for each party.
  - a. The general role of the advisor (prior to any formal hearing): Advisors may accompany their designated party (complainant or respondent) to all called meetings by the College. Typically advisors are members of the campus community, but may be anyone the parties choose. The advisor may not make a presentation or represent the complainant or respondent during the investigation or during interviews and meetings prior to the formal hearing for the case. The complainant and respondent are expected to ask and respond to questions on their own behalf, without representation by their advisors. An advisor may consult with their advisee quietly or in writing, or outside the meeting room, during breaks, but may not speak on behalf of the complainant or respondent.
  - b. The role of the advisor during formal hearings: Advisors accompany their designated party (complainant or respondent) to all hearing sessions. Advisors serve as support to their respective party and can assist with asking questions directly of their own party and other parties including witnesses presented as part of the case. Advisors cannot ask the complainant about his or her prior sexual history.

- 3.) Once a case is referred to investigation, two investigators will be assigned to the case to meet with all appropriate parties, write a report, and to issue an initial summary of findings using the College's standard of proof. The final report will be shared with all parties.
- 4.) If the case is proceeding within the formal resolution process, a hearing will be scheduled with a hearing officer or hearing board. At this time, advisors will be allowed to interview and cross-examine all parties to the case, asking relevant questions as part of due process. The complainant and respondent will not be cross-examined by each other and will not be present in the same room at the same time; however, their advisors are able to ask questions of each party accordingly. The College may conduct hearings online as part of the process.
- 5.) If the case is proceeding within the informal resolution process, the Title IX Coordinator will oversee this process and issue a final report along with recommended action/sanction(s), if applicable. No hearing takes place with the informal resolution process.

## D. Investigative Findings

The standard of proof used for decisions regarding responsibility for Title IX policy violations is the preponderance of evidence. A preponderance of evidence exists when a reasonable person, after evaluating all credible information available at the time of the investigation, would conclude that it is more likely than not that a violation has occurred. This standard is also employed when making determinations regarding interim restrictions/actions.

The findings resulting from either an informal resolution process or a formal resolution process, which involves a hearing may be:

- a. No Finding: In this case, a determination has been made that the Respondent is not responsible for a policy violation.
- b. Not Responsible: In this case, a determination has been made that insufficient evidence exists for a finding of responsible for any of the allegations.
- c. Responsible: The investigator determines that sufficient evidence exists for a finding of "Responsible" for any of the violations.

## E. Sanctions and Disciplinary Measures

Students or employees violating the conduct standards of this policy will be disciplined with sanctions ranging from a reprimand up to and including expulsion or termination.

Anyone who has been found responsible for a Title IX policy violation may incur any of the following sanctions and/or disciplinary measures, or other as applicable. All sanctions may be imposed either singularly or in combination. The purposes of imposing sanctions are twofold: one, to protect the College community from behavior which is detrimental to the community and/or the educational mission of the College by stopping the behavior; preventing its recurrence and remedying the effect on the complainant and the community; and two, to assist in identifying acceptable parameters and consequences of future behavior. The sanction(s) imposed is/are intended to correspond with the severity or frequency of violations, as well as the respondent's willingness to recommit him/herself to behaviors that fall within the applicable code of conduct of the College and are consistent with the mission and values of Barton College. Other factors that may affect the sanctions are:

The nature, severity of, and circumstances surrounding the violation:

- An individual's disciplinary history
- Previous reports involving similar conduct
- The need for sanctions /responsive actions to bring an end to the current actions found to be in violation of the applicable code of conduct and to prevent recurrence of those same or similar actions
- The need to remedy the effects of the actions that were in violation of the applicable code of conduct on the complainant and the community

a. Sanctions for Employees:

- i. Verbal or written warning with a copy placed in their official personnel file
- ii. Adverse performance evaluation
- iii. Demotion and/or reduction in wages
- iv. Transfer
- v. Suspension
- vi. Dismissal

## F. Appeals

The complainant or respondent party may submit an appeal if they meet the appeal guidelines. The following should be noted with regard to appeals:

I.) General information:

- a. All appeals must be in writing to the Title IX Appeal's Officer.

- b. The presumptive stance of the Appeal's Officer is that the initial finding is correct. The burden is on the appellant to show error as outlined below in the Grounds for Appeal.
- c. All sanctions instituted are to be implemented, barring extreme exigent circumstances. Final exams, graduation and/or proximity to the end of a term are not considered exigent circumstances.
- d. Appeals are not intended to be full re-hearings of the allegation(s). In most cases, appeals are confined to a review of the written documentation or record of the original hearing, and pertinent documentation regarding the grounds for appeal.
- e. The Appeal's Officer may, at his or her discretion request information regarding procedure from the investigator or Title IX Coordinator. Ideally, this information would not be necessary, as it should be included in the written Requests and/or response Memorandums.

## 2.) Grounds for Appeal:

- a. A procedural error or omission occurred that significantly impacted the outcome of the hearing or investigation (e.g. substantiated bias, material deviation from established procedures, etc.).
- b. To consider new evidence, unavailable during the original hearing or investigation, that, if true and credible, could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included.

**NOTE:** When a party fails to provide a statement under advice of counsel during an investigation, and subsequent to the hearing decides to provide a statement, it will not be considered "new evidence" for the purposes of this ground.

Additionally, subsequent findings of a criminal or civil court (e.g., dismissals, plea bargains, settlements) will not alone constitute sufficient grounds for appeal, but may be considered by the Appeal's Officer or designee if new evidence was the grounds for said finding.

- c. The sanctions are disproportionate to the responsible violation of policy.

## 3.) Procedure for Appeals

- a. A Request for Appeal must be submitted in writing to the Appeal's Officer within three (3) business days of notification of the outcome of the formal investigation. All outcomes are assumed received by all parties three business (3) days after sent via mail or email. Any Request for

Appeal not filed in a timely fashion will be denied. No exceptions to this timeline are permissible without the express permission of the Appeals Officer:

- b. The Appeals Officer should not have been involved in the investigation and will review all Requests for Appeal to insure the request has standing. The Appeals Officer reviewing the Request may consider credibility, plausibility, and weight in their assessment of the Request.
- c. Any Request for Appeal will be shared with all parties (Respondent, Complainant, Investigator(s), Hearing Officer, and Title IX Coordinator) who may respond to the Request in a "Response Memorandum." All Response Memorandums must be submitted to the Appeals Officer for consideration within three (3) days of their notification of the Request for Appeal. All Response Memorandums will be shared with all parties.
- d. The Appeals Officer, after considering all Requests and Response Memorandums, will make one of the following determinations within three (3) business days of receiving the final response Memorandum:
  - i. The Request for Appeal is denied and the original findings are affirmed. This decision is final and there is no appeal to this decision permitted by any party.
  - ii. The Request for Appeal is upheld and is being forwarded to the Title IX Coordinator for placement in the process based on the grounds under which the appeal is granted:
    - a.) If a procedural error or omission occurred that significantly impacted the outcome of the hearing, the case will be either:
      - i) Remanded back to be reheard by a new Hearing Officer. This is typically done in cases where the procedural error is so profound as to render the original officer too biased or influenced. OR,
      - ii) Remand the case back to the original hearing body with instruction to repair the procedural error:
    - b.) If it is necessary to consider new evidence, unavailable during the original hearing or investigation, but is now available and could substantially impact the original finding or sanction, the case will be either:
      - i.) Remand the case back to the original hearing officer with instruction to consider the new evidence, OR.

- ii.) Remand the case back to be reheard in its entirety by a new hearing officer. This is typically done in cases where the new evidence is accompanied by a procedural error so profound as to render the original officer too biased or influenced.

In rare cases, the Appeal's Officer may alter the finding or sanction based on the new evidence.

- c.) If it is found that the sanctions are disproportionate to the responsible violation of policy, the case will be:
  - i.) Remanded back to the Title IX Coordinator to recommend new sanctions based on the Appeal.
- e. Any decision will be communicated to all parties within three (3) business days, barring exigent circumstances, of the Appeal Officer's decision.

## **G. Retention of Records Regarding Reports of Sexual Discrimination and/or Sexual Misconduct:**

All records related to reports of sexual discrimination and/or sexual misconduct, including reports, investigations, findings, and resolutions, shall be maintained in accordance with College records policies. All records pertaining to pending litigation or a request for records shall be maintained in accordance with instruction and/or advice from legal counsel.

## **Section VII Voluntary Withdraw Policy for Medical/ Psychological Needs and Voluntary/ Involuntary Leave for Students Who Pose a Direct Threat of Harm to Themselves or Others**

### **Introduction**

The following policies and procedures are to be used to help transition a student to a safer environment more conducive to their needs when it becomes clear that remaining at Barton College is not in the best interest of the student or the College community. This policy also allows for a student to withdraw or temporarily leave voluntarily from the college when medical conditions or psychological distress make a withdraw or leave in their best interest; its goal is to define the length of separation, outline the path to re-entry and ease the transition for the student's return, and to optimize the opportunities for the student's success when they return. Under certain conditions, if a student has

not opted to take a withdraw or leave voluntarily, the College may institute an involuntary withdraw under this policy. Student-Initiated Voluntary Medical or Psychological Withdrawal or Leave Students may initiate a withdraw from Barton College for medical or psychological reasons (Note: Barton College may opt to broaden this policy to include leaves for any reason. Should that option be taken, the College may outline universal conditions for return that will optimize the student's success upon return). At the discretion of the Vice President for Student Engagement (or designee), and subject to the refund policies of the institution, arrangements may be made for partial or complete refund of tuition and/or fees. Incomplete grades or other academic accommodations may be made as well, subject to the academic policies of the College. Modifications to housing contracts may also be possible. The normal College procedures for withdraw will be followed, including any documentation requirements.

If a student takes a voluntary leave, the leave documentation will specify the duration of the leave and options for extension. The student is permitted to return upon the end of the leave period, subject only to any conditions or restrictions.

### Student-Initiated Voluntary Medical or Psychological Withdrawal or Leave

Students may initiate a withdraw from Barton College for medical or psychological reasons.

**NOTE:** Barton College may opt to broaden this policy to include leaves for any reason. Should that option be taken, the College may outline universal conditions for return that will optimize the student's success upon return.

At the discretion of the Vice President for Student Engagement (or designee), and subject to the refund policies of the institution, arrangements may be made for partial or complete refund of tuition and/or fees. Incomplete grades or other academic accommodations may be made as well, subject to the academic policies of the College. Modifications to housing contracts may also be possible. The normal College procedures for withdraw will be followed, including any documentation requirements.

If a student takes a voluntary leave, the leave documentation will specify the duration of the leave and options for extension. The student is permitted to return upon the end of the leave period, subject only to any conditions or restrictions outlined and agreed to prior to the leave. Students taking a leave or withdraw are under no obligation to accept these conditions, but, should they

accept them, they are subject to them. Any conditions should be designed to ensure the success of the student upon return, should they choose to do so.

Students who elect to fully withdraw, rather than take a leave, are required to reapply for admission after the time specified by the Office of Enrollment Management and will be treated as any other applicant for admission at that time.

## College-Initiated Medical or Psychological Leave

If a student is behaving in a way that is threatening to others, the Dean of Students (or designee) may initiate these procedures. Students who engage in self-harm behaviors that cause a significant disruption to the community will be referred to the Behavioral Intervention Team (BIT). Students who engage in threats to others that cause a significant disruption to the community may also be subject to the Code of Student Conduct.

### Standard for Involuntary Leave on the Basis of Threat of Harm to Others

#### **Standard for Separating a Student on the Basis of Behaviors Resulting from a Condition of Disability**

This section applies to all involuntary leaves from housing or from the College for any student who is at significant risk of harm to others as a result of a condition covered by disability law. When the potential for harm to others is present, involuntary withdraw actions must consider whether the endangering behavior results from a condition of disability. If so, the student will be protected by Section 504 of the Rehabilitation Act of 1973. Under this federal statute, an individual with a disability may only be separated on the basis of this disability when they are not otherwise qualified to participate in the education program of the institution. The objective of this section is to determine whether it is more likely than not that a student is a direct threat. When a student is a direct threat, they are not otherwise qualified under disabilities law, and may be placed on leave.

A direct threat exists when a student poses a significant risk to the health or safety of others. A significant risk constitutes a high probability of substantial harm. Significance will be determined by:

- The duration of the risk;
- The nature and severity of the potential harm;
- The likelihood that the potential harm will occur; and
- The imminence of the potential harm.

The College must determine whether reasonable accommodations to policies, practices or procedures will sufficiently mitigate the risk, unless those reasonable accommodations would cause undue hardship for the College.

Determining that a student is a direct threat requires an objective and individualized assessment and hearing. The assessment must be based on a reasonable medical judgment that relies on the most current medical knowledge and/or on the best available objective evidence. This standard also applies to the reinstatement of a student who has been on leave. They are entitled to return upon completion of the Readmission Packet for Involuntary Psychological Leave and its approval. The College's Behavioral Intervention Team (BIT) will likely assist in this determination.

### Status of Conduct Proceedings

If the student has been accused of a violation of the Code of Student Conduct, but it appears that the student is not capable of understanding the nature or inappropriateness of the action, this policy may be activated prior to issuance of a determination in the conduct process. Interim suspension for threat of harm to others will also likely be imposed.

If the student is placed on medical leave from the College, or another action is taken under these provisions following a finding that the student's behavior was the result of a lack of capacity, such action terminates the pending conduct action. If the student is found not to be subject to medical leave, conduct proceedings may be reinstated.

### Referral for Assessment or Evaluation

The appropriate official (or BIT) may refer or mandate a student for evaluation by a campus or independent licensed psychiatrist or psychologist (or licensed professional counselor, social worker, licensed clinical social worker, etc.) chosen or approved by the College. Such evaluation may be appropriate if it is believed that the student may meet the criteria set forth in this policy or if a student subject to conduct proceedings provides notification that information concerning a mental health/behavioral condition or disorder will be introduced. Any expense incurred in meeting these conditions must be borne by the student personally, barring exigent circumstances.

Students referred or mandated for evaluation will be so informed in writing in person and/or certified mail delivery, and will be given a copy of these standards and procedures. Their parents/guardians or designated emergency contacts may also be notified. The evaluation must be completed per the direction of the referral letter, unless the Dean of Students (or designee) grants and extension.

A student who fails to complete the evaluation in accordance with these standards and procedures, and/or who fails to give permission for the results to be shared with appropriate administrators, will be referred for conduct action for "Failure to Comply" under the Code of Student Conduct.

### **Readmission Following a Voluntary or Involuntary Medical/Psychological Leave**

A student who is seeking reinstatement to the College after a voluntary or involuntary leave must complete the Readmission Packet and receive clearance by the Vice President for Student Engagement. Any other conditions outlined in accordance with this policy and/or any conduct sanctions must also be completed. A hearing, as outlined above, may be held to determine whether it is more likely than not that the student is no longer a direct threat.
