

## Job Placement Data 2018-2023

### Barton College

Members of the classes of 2018-2022 were surveyed on their first destination after graduation using an online survey developed based on the [National Association of Colleges and Employers \(NACE\) First Destination Survey Standards and Protocols](#). In 2018 and 2019, graduates received an initial email invitation to complete the survey 6-9 months after graduation at the email address provided on the Senior Survey. Beginning in 2020, Handshake's First Destination tool was used to launch the survey approximately one month prior to graduation. Email reminders were sent on a regular basis, and the survey link was posted on the Office of Academic and Career Planning (formerly Student Success) social media feeds. Additional information on the first destination of graduates was collected through follow up calls, from Deans and Department Chairs, LinkedIn, and Facebook.

### Undergraduate

| Year           | Number of Graduates | Response Rate | Employed full-time | Employed part-time | Military | Continuing Education | Volunteer/ Service | Not Employed | Not Seeking* | Positive Career Outcome |
|----------------|---------------------|---------------|--------------------|--------------------|----------|----------------------|--------------------|--------------|--------------|-------------------------|
| 2023           | 228                 | 71.10%        | 65.40%             | 6.80%              | 1.90%    | 21.60%               | 0.60%              | 3.10%        | 0.60%        | 96.90%                  |
| 2022           | 220                 | 76.80%        | 65.70%             | 5.30%              | 0%       | 21.30%               | 0%                 | 7.70%        | 0%           | 92.30%                  |
| 2021           | 210                 | 67.60%        | 60.60%             | 7%                 | 0.70%    | 28%                  | 0%                 | 2.10%        | 1.40%        | 97.70%                  |
| 2020           | 199                 | 77.40%        | 65%                | 7.10%              | 0%       | 16.90%               | 0.60%              | 9.10%        | 1.30%        | 90.90%                  |
| 2019           | 214                 | 67.80%        | 80.70%             | 0.70%              | 0%       | 12.40%               | 2.10%              | 4.10%        | n/a          | 95.90%                  |
| 5-year average |                     | 72.1%         | 67.5%              | 5.4%               | 0.5%     | 20.0%                | 0.7%               | 5.2%         | 0.8%         | 94.7%                   |

\*Not Seeking added as a category in 2020.

### Graduate

Beginning with academic year 2018-19 master's degree graduates were counted separately from undergraduate students.

| Year           | Number of Graduates | Response Rate | Employed full-time | Employed part-time | Military | Continuing Education | Volunteer/ Service | Not Employed | Not Seeking | Positive Career Outcome |
|----------------|---------------------|---------------|--------------------|--------------------|----------|----------------------|--------------------|--------------|-------------|-------------------------|
| 2023           | 49                  | 73.50%        | 86.10%             | 2.80%              | 5.60%    | 0%                   | 2.80%              | 0%           | 2.80%       | 100%                    |
| 2022           | 41                  | 83%           | 85.20%             | 3%                 | 0%       | 3%                   | 0%                 | 8.80%        | 0%          | 91.20%                  |
| 2021           | 46                  | 82.60%        | 79%                | 5.30%              | 0%       | 5.30%                | 2.60%              | 7.90%        | 0%          | 92.20%                  |
| 2020           | 41                  | 85.40%        | 91.40%             | 5.70%              | 0%       | 0%                   | 0%                 | 2.90%        | 0%          | 97.10%                  |
| 2019           | 37                  | 70.20%        | 100%               | 0%                 | 0%       | 0%                   | 0%                 | 0%           | n/a         | 100%                    |
| 5-year average |                     | 78.9%         | 88.3%              | 3.4%               | 1.1%     | 1.7%                 | 1.1%               | 3.9%         | 0.7%        | 96.1%                   |
